## ABOUT US

Lloyd Institute of Management & Technology (Pharm.) was established in the year 2004. Our Founder-President, Shri Manohar Thairani, is a successful entrepreneur with a long experience from the corporate world. He laid the foundation of this institute with a vision of uplifting the Indian education standards to that of a global equivalent.

The Lloyd campus is spread over the 10+ acres in the ZERO pollution Greater Noida, and continues to be a benchmark in the domain of education.

The Institute has introduced many effective features in its pedagogy that have gone a long way in making our students not just a quality pharmacy professionals, but a well-groomed, resourceful and refined person. Programs like Community Pharmacy Division, Personality Development Program, Industry Expert

Lectures, Entrepreneurial Excellence Development, On-the-Job training in industry etc have made an immense impact on our students.

Placements are a key benchmark of any Institute and Lloyd has a dedicated team that ensures placement of not just its own students but students from different regions of India by organizing a Job Fest every year. Many leading pharma companies are regular part of this Job Fest and more than 1700 students have got their first jobs at Lloyd in the last four years.

Our well-connected and highly active alumni network mentors the students and compliments the efforts of the Career Guidance, Training & Placement Cell in securing the best jobs for our students across sectors.

*Welcome to Lloyd!*
