

## Personality Development Program (PDP) Classes @ Lloyds

Though everyone is born unique, we all possess certain traits that set us apart from the rest. These traits define who we are and how we respond to situations. Often, we end up clinging onto the ones that do more harm than good and end up undervaluing ourselves. The fact however remains that we are all unique in our own ways and only need to ignite that dormant passion and give a boost to our **persona**. This is where personality development comes in.

At Lloyds Personality Development Programme (PDP) is aimed at increasing Employability of the Students. Some of the salient features of the program include:

- Functional grammar in Standard English
- Interview skills
- Verbal Ability
- Speaking skills
- Personal Interviews
- Mock Tests
- Reasoning
- Quantitative ability
- Special Sessions
