<b>LLOYD NEWS</b>	65

## THE INSTITUTE

In the year 2004, Lloyd Group established its sprawling campus in the lush green environment in Greater Noida, 25 km from Delhi. The Institute offers multi-disciplinary industry oriented-programs. It is one of the best private institutes in North India. From business management programs to programs in pharmaceutical technologies and from legal studies to education programs, Lloyd is a veritable profusion of educational services.

## VISION OF THE INSTITUTION

To become a globally recognized, education and research organization in the field of pharmaceutical sciences and produce quality professionals to contribute to the well-being of society and growth of the Pharmaceutical Industry.

## MISSION OF THE INSTITUTION

01 To produce high-quality professionals with quality education, and technical training, sensitive to the ever-changing needs of the profession, society, industry, and country.

To create an environment of continuous upgradation and higher studies to meet professional, economic, and social standards.

02

03 To promote innovation, research, and entrepreneurship to meet challenges & foster an environment of collaboration.

To inculcate high morals, professional and ethical values amongst our students, transforming them into quality service providers.

04

## Program Educational Objectes (PEOs)

- Technical Expertise: Gaduates will develop themselves into academically sound professionals possessing scienntific and technical knowledge to undertake diverse responsibilities elated to the pharmacy profession.
- Continuous Learning: Gaduates will strive to expand their knowledge to maintain professional competence and also strive for higher education and pofessional trainings. They shall be ever ready to access and accept new technologies and challenges.
- Soft Skills: Gaduates will be able to communicate and work effffecely as part of team in their rr respee organization and take responsibilities and lead as and when equired.
- Professional Ethics: Graduates will be able to learn professional ethics and imbibe value systems needed for growth and well-being of society. They shall ensure high standards, quality and authenticity in endeavours.

# From the *Editor's* **DESK**

*Blending in won't make you shine.*

Dear Readers,

Over the years, our mission has been to provide you with timely, relevant, and engaging content that truly captures the heartbeat of our institution and the broader world of academia. We have always strived to be more than just a source of information. We aim to be a platform that highlights the remarkable achievements, research breakthroughs, and inspiring stories of our students, faculty, and staff a space where your successes are celebrated and your journey is supported.

As we look toward the future, we are more dedicated than ever to creating an environment that not only challenges you academically but also nurtures your personal and professional growth. We understand that education is not a one-size-fits-all journey; it's a transformative experience that evolves with each step you take. It's about discovering your strengths, finding your purpose, and equipping yourself with the skills to make a meaningful difference in the world around you.

We are expanding our academic programs, enhancing research opportunities, and fostering innovative platforms where your ideas can flourish. Our goal is to ensure that you have every resource you need to turn your ambitions into tangible achievements, and to explore new frontiers in your chosen fields. We are here to support you, to cheer you on, and to celebrate each and every milestone of your journey. Let us continue to build a community that is not only defined by academic success but by compassion, inclusivity, and a shared commitment to making the world a better place. We are excited to see the extraordinary things you will accomplish this year and in the years to come. Let us embrace this opportunity to grow, to inspire, and to make a lasting impact together.

With heartfelt gratitude and best wishes for an incredible year ahead.

Sincerely,

## *A Word from* **Our LEADER**

I am delighted to greet the new entrants to the Lloyd family in the new academic session. We are pleased to introduce you to the latest edition of our institute's news magazine, in which we aim to keep you informed about the notable events and achievements in our community. We have been privileged to witness the continuous growth and development of our institute, and we are thrilled to share these stories with you.

Over the years, our mission has been to provide you with timely, relevant, and engaging content that reflects the diverse happenings within our institute and the broader world of academia. We believe that education extends beyond the classroom, embracing all the experiences that shape us into the leaders, thinkers, and innovators of tomorrow. It is our goal to provide a supportive environment where your ideas can thrive, your questions can be explored, and your dreams can become realities.

We believe in the power of knowledge dissemination and the role it plays in fostering intellectual growth and innovation. We aim to create more platforms for you to voice your opinions, share your creative endeavors, and connect with like-minded individuals who share your passion for learning and growth. In the face of numerous challenges and unprecedented times, our institute has consistently demonstrated resilience and adaptability. We have witnessed remarkable achievements and milestones that have significantly contributed to our collective growth and reputation.

In this edition, you will find a diverse range of articles and features that highlight the exceptional accomplishments of our students, faculty, and staff. Additionally, we delve into the groundbreaking research being conducted by our esteemed faculty members. Their pioneering work in fields such as medicine and engineering, is pushing the boundaries of knowledge and creating a positive impact on society. Through their dedication, our institute continues to make significant contributions to the advancement of various domains.

Lastly, we would like to express our gratitude to the institute's administration, faculty, and students for their constant support and encouragement. Without their collaboration and contributions, the news magazine would not be the success it is today. Thank you for being a part of our journey. We look forward to bringing you many more inspiring stories and thought provoking content in the future.

**Mr. Manohar Thairani**

### *Guiding Thoughts from* the Group **DIRECTOR**

In the history of pharmacy education, Lloyd has always been associated with innovation and excellence. The institute has evolved and continued to grow with the ever-changing needs of society and as per the demands of the profession of Pharmacy.

With a natural sense of obligation to the students who place their blind trust in us, we continuously strive for excellence in our pedagogy. We understand that educating the next generation solely in the classroom will not be enough to meet market demands. We therefore take great care to instill moral principles like integrity, diligence, and compassion in our children.

Our main strength lies in our collaborations with the pharmaceutical industries. We believe more in on-site training than theoretical classes. Not only the students but also the faculties undergo practical refresher training sessions in the industry on a regular basis. Lloyd provides an exciting and challenging environment for students to pursue their studies as well as engage in activities that will make them successful human beings.

I want to express my gratitude to the institute's staff, faculty, and students for their diligent work and wisdom in institutional development. You will learn about the successes, favorable results, and new program initiatives that the Pharmacy Department has been working on over the past few months from this newsletter. I'm glad that our goal of constant improvement is taking us in the right direction.

# "CGTP cell @ Lloyd"

## HiGlance Laboratories Pvt. Ltd.

As per A.K.T.U. Curriculum Lloyd Institute of Management & Technology (Pharm.) organized Industrial Visit to HiGlance Laboratories Pvt. Ltd. at Surajpur, Greater Noida, Uttar Pradesh on 10th May, 2024.

A group of pharmacy students visited **HiGlance Laboratories Pvt. Ltd.**, where they were briefed about the various stages of drug production, including formulation, compounding, and packaging. They learned about the importance of adhering to Good Manufacturing Practices (GMP) to maintain product quality and safety.

Students gained an understanding of the rigorous testing procedures conducted to assess the potency, purity, and stability of pharmaceutical products. They also learned about the role of Quality Assurance in ensuring compliance with regulatory requirements. They also had the opportunity to interact with researchers and scientists involved in drug discovery and development projects. They learned about the latest advancements in pharmaceutical technology and the process of bringing new drugs from concept to market.

The visit enriched their learning experience and equipped them with insights into the dynamic and highly regulated field of pharmaceutical manufacturing.

## HiGlance Laboratories Pvt. Ltd

As per the PCI and AKTU curriculum, LIMT organized an industrial visit to HiGlance Laboratories Pvt. Ltd., Greater Noida, was organized and coordinated by Mr. Vivek Dhiyani (Associate Professor, LIMT) and Dr. Divya Chauhan (Associate Professor, LIMT) on 17th May 2024 for B. Pharm and M. Pharm students.

During the visit, the students met Mr. Rajesh Rao (Manager-HR) and were guided through various departments of the pharmaceutical facility. The visit was designed to enhance students' practical knowledge and experience in a working pharmaceutical environment, helping them identify their areas of interest. The key departments visited included:

**Manufacturing & Production:** Covering the manufacturing processes for capsules, tablets, and syrups.

**Quality Control & Quality Assurance:** A detailed overview of the stringent quality measures in place for ensuring product efficacy and safety.

**Printing & Packaging Departments:** Students learned about the different stages of primary and secondary packaging, and the criteria for selecting packaging materials.

**The industrial visit** proved to be an enriching experience, offering practical exposure to students and helping them understand various pharmaceutical processes and their roles in the industry.

The faculty and students extend their heartfelt thanks to **HiGlance Laboratories Pvt. Ltd.** for providing this invaluable opportunity. The visit was a successful and memorable learning experience for all participants.

## Merril Pharma

As per the PCI & AKTU curriculum, LIMT organized an industrial visit to was organized and coordinated by Dr. A.K. Parashar (Professor at LIMT, Greater Noida), Mr. Vivek Dhiyani, and Dr. Chitra Gupta (Professors at LIMT, Greater Noida) on 28th April 2023 for B. Pharm and M. Pharm students. During the visit, the students had the opportunity to interact with Mr. Sandeep Chaudhary (Plant Manager), Mr. Manish Kumar (Assistant HR), and Mr. Vikas Kumar (QA-Senior Executive). The primary objective of the visit was to fulfill academic requirements and to provide students with practical, experiential learning about the pharmaceutical industry and its operations. This visit allowed students to gain insights into different departments and understand their functions.

The following departments were visited:

- » **Manufacturing & Production**  
(Capsules | Tablets | Syrup | Ointments)
- » **Quality Control & Quality Assurance**
- » **Printing & Packaging Departments**

The visit provided a comprehensive understanding of industrial processes, enabling students to explore potential career interests within these departments. Various practical insights were shared during the visit, offering students a valuable learning experience.

## Indian Pharmacopoeia Commission

The M. Pharm students, accompanied by faculty members, were welcomed by the officials of IPC. The visit was structured into several segments to provide a comprehensive overview of the Commission's operations and responsibilities. The visit began with a detailed presentation by IPC representatives, highlighting its role as the national standard-setting body for pharmaceuticals in India. Key aspects discussed included preparation and revision of the Indian Pharmacopoeia (IP), functions of the National Coordination Centre (NCC) for Pharmacovigilance Programme of India (PvPI), quality standards and analytical methods for drugs.

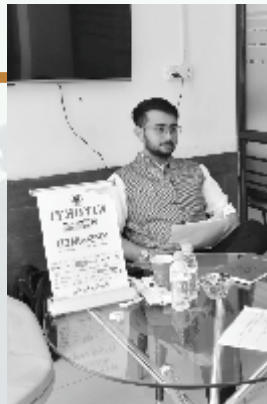

The students were guided through the state-of-the-art analytical and quality control laboratories. They witnessed demonstrations of various sophisticated instruments such as High-Performance Liquid Chromatography (HPLC), Gas Chromatography (GC), UV-Visible Spectrophotometers, Infrared (IR) Spectroscopy. These instruments are integral to ensuring the safety and efficacy of drugs in compliance with pharmacopoeial standards. A session was dedicated to explaining the operations of the Pharmacovigilance Programme of India (PvPI). Students learned about the collection, monitoring, and assessment of Adverse Drug Reactions (ADRs) to ensure patient safety. An engaging Q&A session allowed students to interact with IPC scientists and regulatory experts. Queries related to the formulation of standards, testing protocols, and career opportunities in the regulatory sector were addressed.

The industrial visit to the Indian Pharmacopoeia Commission proved to be an enriching experience for the M. Pharm students of Lloyd Institute of Management and Technology. It provided a valuable platform to connect academic concepts with industry practices, fostering a better understanding of the pharmaceutical regulatory landscape.

# CAMPUS DRIVES

## Campus Drive 01 Pathkind Labs Pvt. Ltd

The campus interview conducted by **Pathkind Labs Pvt. Ltd.** on **November 23, 2023**, provided final-year pharmacy students with an opportunity to kick-start their careers in the pharmaceutical industry. The selected candidates will gain valuable experience and contribute to the company's objectives while advancing their professional growth. We extend our congratulations to the selected students and wish them success in their future endeavors.

## Campus Drive 03 SR Medicare Pvt. Ltd.

On **December 20, 2023**, **SR Medicare Pvt. Ltd.** conducted a campus placement drive at **Lloyd Institute** for the position of **International Business Associate**. The event aimed to identify and recruit a suitable candidate for this role, offering a **CTC (Cost to Company) of 4.2 LPA (Lakhs Per Annum)**.

The campus placement drive by **SR Medicare Pvt. Ltd.** at **Lloyd Institute** was a successful event, culminating in the selection of a highly competent student for the **International Business Associate** role. The drive provided a valuable opportunity for the students to engage with a leading company in the healthcare sector and showcased the institute's commitment to facilitating quality placements for its students.

## Campus Drive 02 Healthplix Technologies Pvt Ltd

The campus interview drive conducted by **Healthplix Technologies Pvt Ltd** at **Lloyd Institute of Management & Technology (Pharm)** on **December 12, 2023**, for the position of **Business Development Manager** was successful, with 6 students selected to join the company. The event provided an excellent opportunity for students to showcase their talents and for the company to recruit promising talent for its business development team.

On December 20, 2023, SR Medicare Pvt. Ltd. conducted a campus placement drive at Lloyd Institute for the position of International Business Associate. The event aimed to identify and recruit a suitable candidate for this role, offering a CTC (Cost to Company) of 4.2 LPA (Lakhs Per Annum).

The campus placement drive by SR Medicare Pvt. Ltd. at Lloyd Institute was a successful event, culminating in the selection of a highly competent student for the International Business Associate role. The drive provided a valuable opportunity for the students to engage with a leading company in the healthcare sector and showcased the institute's commitment to facilitating quality placements for its students.

This placement drive not only marks a significant milestone for the selected student but also strengthens the relationship between Lloyd Institute and SR Medicare Pvt. Ltd., paving the way for future collaborations and opportunities.

## Campus Drive 4 CHCS Services Pvt. Ltd. at Lloyd Institute

CHCS Services Pvt. Ltd. conducted a campus recruitment drive at Lloyd Institute aimed at hiring Pharmacy students for the position of Trainee Associate. The event was meticulously organized, ensuring a smooth process for both the recruiters and the students.

The campus interview by CHCS Services Pvt. Ltd. was a significant opportunity for the Pharmacy students at Lloyd Institute, providing them with a pathway to embark on their professional careers. The successful placement of 11 students highlights the competence of the institute's curriculum and the quality of its students.

# Research Collaborations

**IN** an attempt to expand the skill set of our pharmacy students, **Lloyd Institute of Management and Technology** has collaborated with **Shagun Medi Testing Pvt. Ltd.** for continuing Professional Development of Students and Faculties.

”

# A Girl with WINGS

“ Feathered dreams in human form,  
Girls with wings defy the norm.  
Soaring high on currents strong,  
Their spirits free, where they belong.

Gossamer plumes of white and gold,  
Hiding power, fierce and bold.  
Earth-bound no more, they touch the sky,  
Breaking limits as they fly.

In every heart, a secret pair  
Of wings unfurl beyond compare.  
For every girl can find her flight,  
In strength, in joy, in sheer delight

”  
MAHIKA ASHISH JAIN

B.Pharm - 4th year

# शर्मसार मानवता

“जसिने भी अन्जाम दियो हो,लेकनि कृत्य घनौना हैं।  
जसिकी उम्र खलौने वाली,वो खुद बनी खलौना हैं।  
बेरहमी वाली भी सारी हदें पार कर दी उसने।  
कुछ लालच खातरि मानवता शर्मसार कर दी उसने।  
खलिने से पहले ही फरि मासूम कली को नौच लयि।  
और किसी ने नही बाग माली ने खंजर घोप दयि।  
नन्ही सी मासूम जान से कैसे हवस मटिई हैं।  
चीख दर्द सुनकर भी उसको तनकि दया न आई हैं।  
जसिकी कलिकारी से आँगन हरा भरा सा लगता हैं।  
लेकनि अब तो हर बेटे का बाप डरा सा लगता हैं।  
कंहा गए वे जनिको डर लगता था हनिदुस्तान में?  
कहाँ गए जनिको खतरा लगता था संवधिन में?  
पुरस्कार लौटाने वाली गैंग नही दखिती हैं अब।  
"ट्वकिल हम शर्मदि"वाली टैंग नही दखिती हैं अब।  
हनिदू मुस्लमि भाईचारा भी खतरे में नही दखि।  
नही किसी ने इस घटना पर लम्बा चोड़ा लेख लखि।  
सोशल मीडिया पर भी अब कुछ और दखिई देता हैं।

नदि नदि ओ वलिप का शोर दखिई देता हैं।  
ऐसे करते करते हमने केसी केसी सह ली हैं।  
अरे बताओ तुम ही यारो,क्या ये घटना पहली हैं?  
इससे पहले कही नरिभया कंही आसफि चीखी थी।  
ये भारत के इतहिस पर चोट बहुत ही तीखी थी।  
क्यो ऐसी घटना को हम नदि से टाल दियो करते?  
और हत्यारो को केवल जेलों में डाल दियो करते?  
बस ये ही तो करते आये हैं हम सत्तर सालो से।  
भरे पड़े हैं जेल हमारे,ऐसी घटना वालो से।  
अब तो सबक सखि दो इन कलयुग के महषिसुरो को।  
चौराहे पर गोली मारो लाश खलिओ कुत्तो को॥”

**अभषिक चौधरी**

## कुछ परिस्थितियों ऐसी भी

बहुत इतराकर नकिले थे, हम घर से बाहर की खुद का खयाल रख लेंगे नासमझ थे...

पर जब हर सुबह कोई डांट कर उठता नहीं.  
छोटी-छोटी खुशियों पर जब कोई शाबाशियों नहीं देता.  
बीमार होने पर जब कोई खयाल नहीं रखता..

और ..

लाइ प्यार से बगिड़ने के लिए कब कोई आसपास नहीं होता तब तब पता लगता है कि कितने बदल गए हैं हम कुछ पाने की ज़िद में कितना कुछ खो गए हैं हम..

**Prateek**

B.Pharm - 2nd year

**Lloyd Pride**

**A Pharmacy Student Journey**

“

Dedicated to **Lloyd school of pharmacy**

I searched far and wide for the best,  
To find a pharmacy college to pass the test.  
A place to learn, grow, and succeed with ease,  
And make my dreams a reality, if you please.

Then Lloyd stood out, shining so bright,  
A perfect fit, where pharmacy takes flight.  
With great teachers and facilities so grand,  
I knew I'd found my perfect land..

Lecture hall and labs, theory and practice blend,  
Pharmacology's secrets, my truest friend.

Unravelling mysteries, with each new  
Passion for pharmacy, forever on my mind.

Debates and presentation, a stage to share,  
Helped me grow, with confidence to spare.

They sharpened my thought, and voice so clear,  
Prepared me well, for a bright future near.

**Inhesar Alam**

B.Pharm 2022-2026

## Chhath: Emotion of Every Bihari

Chhath Pooja is a significant Hindu festival celebrated mainly in the Indian states of Bihar, Jharkhand, and Uttar Pradesh, including regions of Nepal. It is dedicated to Lord Surya (Sun God) and Chhathi Maiya (Goddess Usha). This festival is observed with great devotion and enthusiasm by people, especially those with roots in Bihar.

During Chhath Pooja, devotees offer prayers to the Sun God at sunrise and sunset, standing in water and facing the sun. The rituals include fasting, taking holy dips in rivers, and offering prasad (offerings) to the deities. It is a festival that signifies faith, purity, and togetherness among families and communities.

Chhath Pooja is not just a festival; it's a cultural heritage that strengthens the bond between humans and nature. The festival holds immense spiritual significance and is a time for devotees to express gratitude to the Sun God for sustaining life on earth. With its rich traditions and rituals, Chhath Pooja showcases the deep-rooted beliefs and customs of the people, making it a revered and cherished celebration in the region.

तू उदास है जब मां हर पल तेरे साथ है, हाँ माना  
बीते चार दिन जसि पर्व की खुशी थी,  
वो इस उगते सूर्य के साथ खत्म हो गई, लेकिन इंतजार भी  
तो इसी का था न!  
चल फिर मत हो उदास बस कह दे कि, फिर आएँगे अगले साल  
अपने आँचल का  
अर्घ्य एक नए सूप में सजाए, तब तक के लिए, चलो ठेकुआ पर  
कंसन्ट्रेट किया जाए!!

**Raj Gaurav**

B.Pharm 1st Year

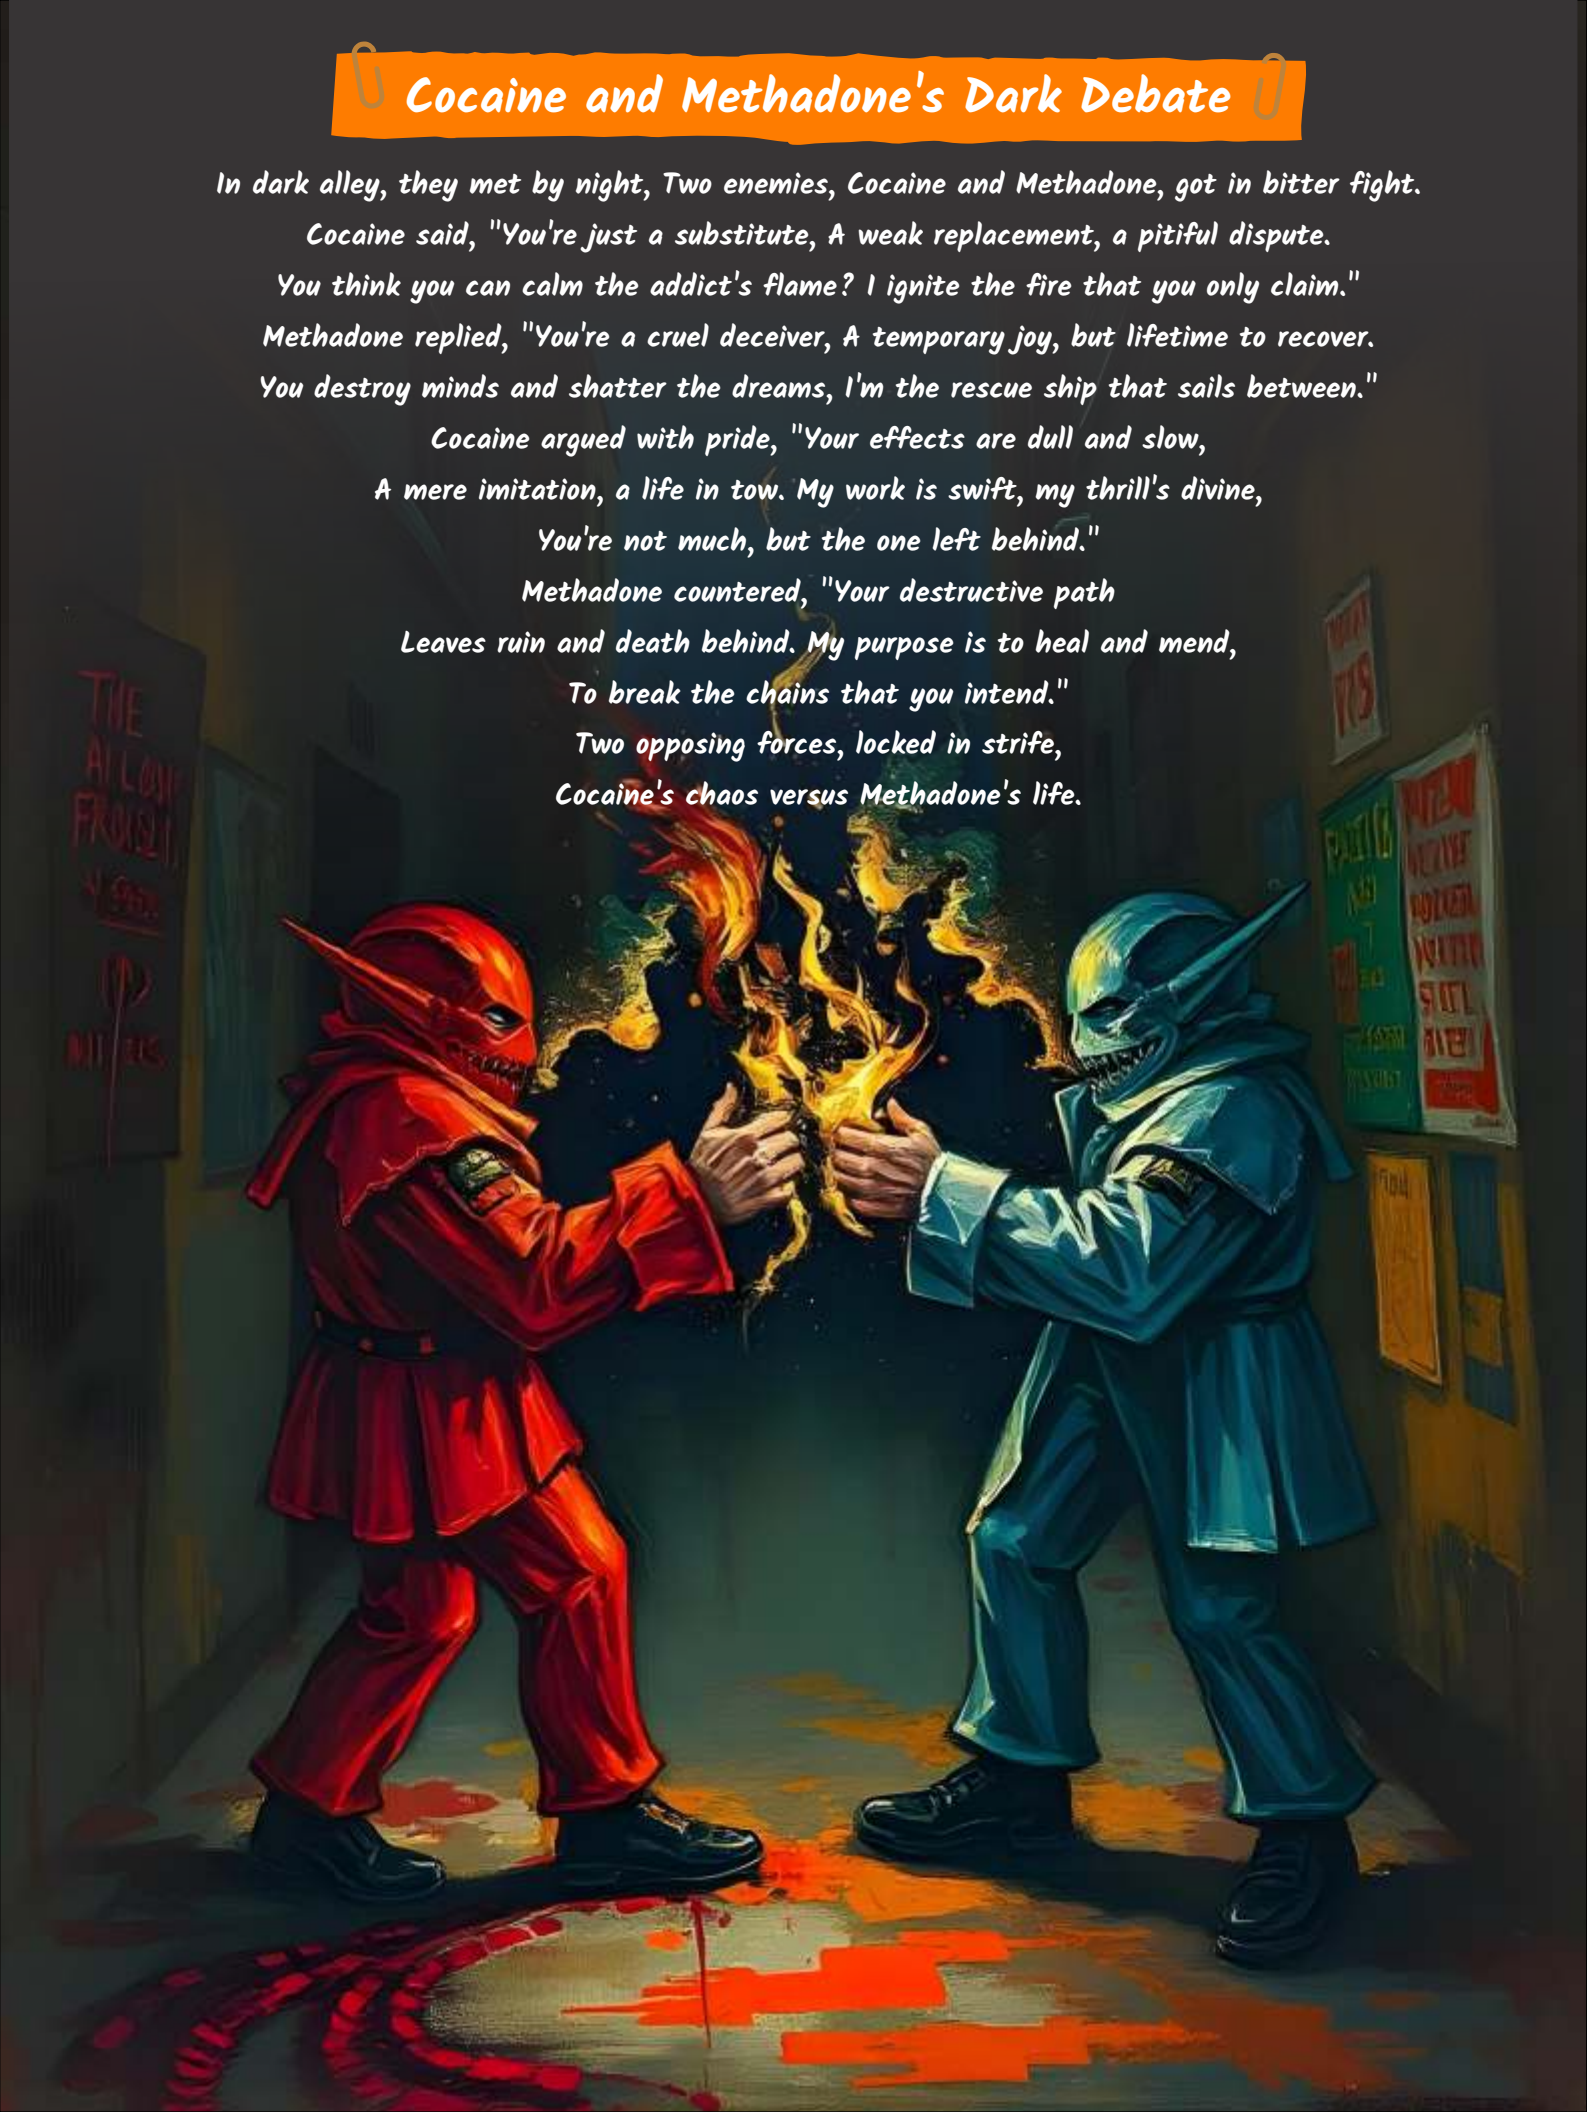

# Cocaine and Methadone's Dark Debate

In dark alley, they met by night, Two enemies, Cocaine and Methadone, got in bitter fight.

Cocaine said, "You're just a substitute, A weak replacement, a pitiful dispute.  
You think you can calm the addict's flame? I ignite the fire that you only claim."  
Methadone replied, "You're a cruel deceiver, A temporary joy, but lifetime to recover.  
You destroy minds and shatter the dreams, I'm the rescue ship that sails between."

Cocaine argued with pride, "Your effects are dull and slow,  
A mere imitation, a life in tow. My work is swift, my thrill's divine,  
You're not much, but the one left behind."

Methadone countered, "Your destructive path  
Leaves ruin and death behind. My purpose is to heal and mend,  
To break the chains that you intend."  
Two opposing forces, locked in strife,  
Cocaine's chaos versus Methadone's life.

# 156 FDCs BANNED by Indian Govt.

FDCs (Fixed Dose Combinations) are medicines that consist of more than one active ingredient (chemical compound in medicines that have an effect on the body) in a single dose. FDCs are meant for patients with chronic conditions like diabetes.

The Government of India has banned 156 Fixed Dose Combinations (FDC), including popular medicines such as Cheston Cold and Foracet, used for cold and fever. Among the banned FDCs are:

- Combinations of anti-allergic medicines such as levocetirizine with nasal decongestants.
- Syrups that break down mucus and paracetamol.
- Combinations of migraine medicine with anti-emetics.
- Combinations of mefenamic acid with anti-fibrotic medicine such as tranexamic acid.

These 'ludicrous' combinations have been banned because they contain ingredients that either do not work well together or have ingredients that are not needed by patients to be taken together. Despite the earlier bans, a 2023 study found that FDCs as a proportion of total antibiotics sold in India had actually increased from **32.9% in 2008 to 37.3% in 2020**. Manufacturers have been told to immediately stop producing, stocking, and selling these drugs, according to the government notification. However, they are likely to remain available in the market for some time.

## Tum Ajeeb Nahi Ho Ye Umar Hi Aisi Hai

Kabhi lagta hai bas koi baat kar le, Kabhi kisi ki zarurat mehsoos nahi hoti.  
Kabhi looser jaisa lagta hai achanak, Kabhi apne se behtar koi nahi.  
Haste haste rona aa jata hai, Dost chhod jaate hain,  
Pariwar chhoot jaata hai, Ghar pe bhi rehna hai.

Mann har jagah bhagta hai, Lagta ek jagah bhi nahi.

Koi kehta hai bade ho gaye ho,  
Duniya bhi dekhni hai. Koi kehta hai bacche ho abhi,  
Tum jaise ho ham sabki halat vaisi hai.  
Tum ajeeb nahi ho ye umar hi aisi hai.

**Md Atif**  
B.Pharm 4th Year

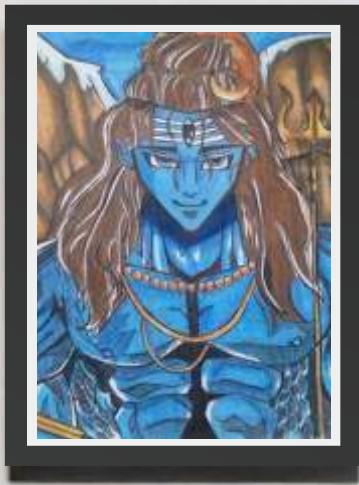

# A MAN AT WINDOW

*A shot recalls the season to the air, And other autumns to the seasoned mind,  
Those tracking years that brought me here to ground,  
To evening paper and this window chair.  
New violence in the Slavic dark, or else, The southward pointing of the mallard's glide  
Defines season's death in life outside, This predatory and exhausted pulse.  
And I who hunts no more recalls the day, That gave the quarry name, desire its face,  
And the act that flaw from which the years have traced,  
The unaimed shot, the directed ricochet, So that, once greatly daring for love's sake,  
I see today the teal's glazed eyes upbraid, Past falls (leaves kicked or savage choices made,  
Between the wind-swirled mangroves and the lake).  
The stalker snared, all wildness clipped and caged, In age's rusted and domestic wire;  
The window chair accepted and desire, Unfaced where once the savage spirit raged.  
What hounds have flushed the vagrant heart, what brought, The will, a haggard-hawk, to hand? Retrieve  
From out the quartered field of time one leaf, One death whereby the dull mind, yet untaught*

# ACTIVITIES @ LLOYD

## Webinar 01 GROWING OPPORTUNITIES IN PHARMACY PROFESSION

Webinar 1" was organized on 5th June on the topic **"Growing opportunities in Pharmacy Profession"** The Speaker **Dr. Kriti Soni, Director & Head R&D, Kapiva Ayurveda** spoke about increasing demand, scope, and importance of Pharma Profession.

Dr. Kriti Soni initially talked about the life of a Pharmacy professional and the immense contributions they can make to society. She explained her career journey and how she made to her current position. She talked about various formulations which are meant for a good immune system and allays diseases. She says every day new challenges come in the field of research and we should upgrade our skills to keep us ahead. She also emphasized that our practical skills in the field of pharmacy should also be strong to keep updated. Besides formal education and skills, one should be open to various industries and stay updated on the latest trends in the industry and the newest culture in the industry. She appreciates the initiatives Lloyd is taking for their students to become industry ready.

## Webinar 02 HEADS UP TO YOUR PHARMACY CAREER

Webinar 2" was organized on 17th June 2023 on the topic **"Growing opportunities in Pharmacy Profession"** The Speaker **Ms. Bhawna Gupta, Director – Regulatory Affairs, Dr. Reddy's Laboratories Limited** spoke about increasing scope of Pharma Profession.

**Ms. Bhawna Gupta** initially talked about the life of a Pharmacy professional and immense contributions they can make to the society. She explained her career journey and how she made to his current position. She talked about various formulations which are meant for a good immune system and allays diseases. She says everyday new challenges come in the field of research and we should upgrade our skills to keep us ahead. # PHARMACEUTICAL DISSOLUTION TESTING

## A HANDS ON TRAINING PROGRAMME

A 3.5 days summer training program was organized at Lloyd Institute of Management and Technology, from 28th June - 1st July 2023 on the topic "Pharmaceutical Dissolution Testing- A Hands on Training Programme" in collaboration with DPSRU and supported by IPA, Delhi Branch.

The program saw participation of 15 delegates from different colleges in NCR- South Point College of Pharmacy, Saras College of Pharmacy, Lloyd School of Pharmacy, Gurugram University, Delhi Pharmaceutical Sciences and Research University (DPSRU) and in-house candidates from Lloyd Institute of Management and Technology.

On the concluding day there were three back to back sessions on "Bioavailability and Bioequivalence Assessment from Dissolution Data Concepts and Practical Training with Dummy Data Sets" by Dr. Gaurav Kumar Jain, Associate Professor, DPSRU, New Delhi, "In-vitro-In-vivo Correlation (Concepts and Practical Training with Dummy Data Sets)" by Dr. Ashu Mittal, Professor and Head Department of Pharmaceutics, Associate Head (Research), KIET School of Pharmacy, Ghaziabad and "Biowavers with Case Studies" by Dr. Rajesh Agrawal, General Manager R & D, Modi-Mundi Pharma Research & Development.

# WORKSHOP ON MENTAL WELL-BEING

Lloyd Institute of Management and Technology (Pharm.) College, Knowledge Park-2, Greater Noida, in collaboration with WellM (Wellness Mandala Pvt Ltd), organized an impactful workshop on the occasion of World Mental Health Day on, 10th October, 2023 (Tuesday) under the theme "Mental Health is a Universal Human Right." The workshop commenced with a serene Sarasvati Vandana and a lamp lighting ceremony, signifying the illumination of minds and the journey towards improved mental health. The event unfolded with a thought-provoking skit (Title: Invisible battles: Confronting Mental health Issues) performance presented by B.Pharm and M. Pharm students. This performance sensitively portrayed real-life scenarios related to mental health, including stress, anxiety, Peer pressure in young minds, depression, Dementia in elderly people and the significance of seeking help. The heartening message conveyed was that mental health concerns affect individuals from all walks of life.

In the Inaugural speech, Dr. Vandana Arora Sethi, the Group Director and Chief Strategist of Growth at Lloyd Group of Institutions, delivered an insightful and compassionate message that resonated with the spirit of the day. Dr. Sethi highlighted the importance of acknowledging mental health as an essential aspect of our lives and, indeed, a universal human right. She emphasized the significance of mental well-being, recognizing that it impacts every individual regardless of age, gender, or background. Dr. Sethi's words inspired individuals to take proactive steps in looking after their mental health and fostering a supportive environment where the well-being of every person is valued and protected.

The workshop encompassed various segments designed to educate and empower the attendees. An ice-breaking game was employed to foster a welcoming and comfortable atmosphere, encouraging participants to engage openly. The session on "Understanding Stress and Anxiety" shed light on the factors contributing to these emotions, facilitating better comprehension. Practical strategies and coping mechanisms were shared during the "Tools and Techniques for Managing Stress and Anxiety" segment, equipping the participants with valuable skills.

One of the highlights of the workshop was the "Art Therapy Workshop," which harnessed the therapeutic power of artistic expression for emotional healing and self-discovery. Participants were encouraged to channel their emotions and thoughts through creative means. In addition, the workshop offered "DIY Tips for Enhancing and Maintaining Health and Happiness," providing practical, everyday methods for promoting mental well-being.

The inauguration of the event by the Group Director and Chief Strategist of Growth at Lloyd reinforced the institution's commitment to prioritizing the mental well-being of its students. He emphasized the significance of mental health, acknowledging it as a universal human right, and commended the collaboration with WellM for promoting this cause.

The program commenced at 9.30 am (11th May 2024), following a warm-up Tea, with a grand inaugural session. Eminent guests Dr Vijay Pal Singh, AcSIR, PTO-CSIR-Institute of Genomics and Integrative Biology, Former Joint Director, FSSAI, Dr Inderjeet Yadav Veterinarian In-Charge, Animal Facility, National Brain Research Centre, Department of Biotechnology, Ministry of Science & Technology, Government of India and Dr. Dinesh Kanwar Yadav, B.V.Sc. and AH, Chief Veterinary Officer, Central Laboratory Animal Resources, JNU, New Delhi chaired the workshop. The program began with an auspicious lamp lightening by the dignitaries and Saraswati Vandana to evoke the blessings of the Goddess of learning. Dr. Lalit Kumar Tyagi, Principal, Lloyd Institute of Management and Technology, Dr. Shilpa Pahwa, Vice Principal, Lloyd Institute of Management and Technology and Dr. Chitra Gupta, Dean PG, Lloyd Institute of Management and Technology, welcomed the Resource persons.

**Dr. Vijay Pal Singh**, AcSIR, PTO-CSIR-Institute of Genomics and Integrative Biology, Former Joint Director, FSSAI, addressed on the topic of “Animal Welfare and Ethics in Biomedical Research and Selecting Animal Models”. He delivered an energetic and outcome based training lecture to the participants for proper and minimal size of animals for research activity.

**Dr. Inderjeet Yadav** Veterinarian In-Charge, Animal Facility, National Brain Research Centre, Department of Biotechnology, Ministry of Science & Technology, Government of India delivered Technical Session-I on the topic of “CCSEA Guidelines and Administrative Requirements for Animal Research.” He trained the participants with administrative requirements of animal research.

**Dr. Dinesh Kanwar Yadav**, B.V.Sc. and AH, Chief Veterinary Officer, Central Laboratory Animal Resources, JNU, New Delhi spoke on “Routes of Administration and Handling Methods”. He mentioned many key points to handle different animals required for new drug development process.

After lunch, the participants were segregated into 3 groups. Each groups from different colleges and universities were trained on animal demonstration by the esteemed dignitaries. Animals like Albino Rats, Mice and Rabbits were procured from Lloyd Animal Facility for Experimentation (LAFE) according to the guidelines of CCSEA and OECD. Most of the trainings were given on artificial models. Animals were used only for handling and routes of drug administration's purpose. Dr Vijay Pal Singh trained the participants with the use of different artificial models like Dog for blood pressure, artificial Suturing model and artificial dissection model of rats and guinea pig. Dr Inderjeet Yadav trained the students with different routes of animals using rats and mice and elaborated about basics of experiments on animals. Dr. Dinesh Kanwar Yadav trained the participants with Rabbit handling and basics of experiments.

## CAREER GUIDANCE SESSION

The Lloyd Institute of Management and Technology (Pharm.) organized an insightful Career Guidance Session in the Seminar Hall of Campus-1. The focus was on preparing pharmacy students for the Drug Inspector Exam, a pivotal step toward a career in pharmaceutical regulation.

The session featured distinguished speakers, Dr. Vivek Gill, Drug Inspector at CDSCO, Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India, and Ms. Parina Gill, Associate Professor at Sunderdeep Pharmacy College, Dasna, Ghaziabad.

The event commenced with a warm floral welcome extended to Dr. Vivek Gill and Ms. Parina Gill. Ms. Parina Gill delivered an engaging presentation titled "Scope of Pharmacy for Pharma Graduates," shedding light on the abundant opportunities both in India and abroad for pharmacy graduates.

Dr. Vivek Gill's segment delved into the specifics of preparing for the Drug Inspector entrance exam, offering valuable insights and strategies. He also addressed common weak points encountered during the studies and guided the students to overcome them effectively. The session drew an enthusiastic audience of over 250 delegates, comprising faculty members, postgraduate scholars, and undergraduate students. Attendees left with actionable takeaways and a deeper understanding of the career prospects in pharmacy. Lloyd Institute of Management and Technology (Pharm.) is committed to empowering its students with knowledge and guidance essential for success in the dynamic field of pharmaceuticals.

The seamless orchestration of the entire session was overseen by Mr. Puneet Nirmal, Assistant Professor at Lloyd Institute of Management and Technology (Pharm.). His dedication and meticulous planning ensured that the event unfolded smoothly, providing attendees with an enriching and insightful experience.

# WORLD PHARMACIST DAY 2023

*The students thoroughly enjoyed the event and showcased their talents throughout the day.*

The celebration of World Pharmacist Day was organized and coordinated by Dr. Lalit Kumar Tyagi (Principal, LIMT, Greater Noida), Ms. Shilpa Pahwa on 25th September 2023 for B.Pharm and M.Pharm students.

The event commenced with lamp lighting and Saraswati Vandana, followed by an inauguration speech by Dr. Lalit Kumar Tyagi, who emphasized the value of the pharmacy profession and the role of pharmacists in the healthcare system. Ms. Shilpa Pawha provided insights into the importance of pharmacy.

The celebration included various cultural activities such as a rangoli competition, poster-making competition, quiz competition, and a health check-up camp. Students actively participated in these events with enthusiasm, and winners were awarded certificates.

# FRESHERS PARTY

## 2023

Every student eagerly awaits right from their time of admission for their most remarkable event of the college **"FRESHER'S PARTY"**. The 09th November 2023 was a memorable day in the life of every fresher of the academic year 2023-2024 batch at Lloyd Institute of Technology. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students were welcomed with so much of enthusiasm which was organized by Department of Pharmacy.

As a trend of the institute, the party began with the auspicious prayer to almighty. Which is considered as very sacred and symbol of prosperity? The occasion was graced by the presence of Director Dr. Vandana Arora, Hod Dr. Shilpa Pahwa and all faculty members. The Director Dr. Vandana Arora addressed the gathering by welcoming the students through his motivational speech.

The Programmed was structured in the four categories based on Entertainment, Games, **Mr. & Ms. Fresher's and the DJ.**

Skit doesn't just boost the students' confidence, it develops their communication skills, and makes them stronger people, but it also improves their academic performances. Fresher's party is all about creating everlasting relationships with each other. The event is an indication of union among the students. Pulsating ambience, flashing lights and foot-tapping music, set the mood of the party right. The excitement augmented to a joyful high as performances graced the stage. The dance floor was left open for some unbridled energy. Joy and happiness could be seen among students of each and every course at the college.

After completion of events, hosts announced **Mr. & Ms. Fresher's 2023-24 & Runners-up** who were awarded by Dr. Shilpa Pahwa, Prof. Dr. Lalit Tyagi, and Prof. Dr. Chitra Gupta with trophies and certificates. Mr. Pawan & Miss. Bhoomika were chosen as the Mr. and Miss Fresher, Mr. Alok & Miss Shruti chosen as Mr. Handsome & Miss Gorgeous and Mr. Sudhanshu & Miss. Tanishka chosen as Mr. & Miss. Talented respectively.

Such an amazing event could not be even successful without the help of each and every member of student committee and participants. The event was ended with Dance and DJ music where all the students dance to the beats removing all the stress and enjoying pure bliss moment.

It was indeed a very well organized and a fun filled event for the audience as well as the participants.

The Fresher's Party 2023 was organized and coordinated by the Lloyd Institute of Management & Technology on 30th November 2023 for the academic year 2022-2023 batch. This event was a day filled with excitement, joy, music, and laughter, providing a chance for seniors and juniors to bond and celebrate together as part of the Lloyd community.

The event began with the traditional lighting of the lamp and Sarasvati Vandana, blessed by dignitaries, including Dr. Shilpa Pawa, Dr. Shilpi Chauhan, Dr. Niti Sharma, Dr. Divya, Ms. Shivani Singh, Ms. Nisha Gupta, Ms. Sapna Kapoor, Ms. Shiva Mishra, Ms. Reetu Singh, Ms. Renuka Sharma, Ms. Snigdha Srivastava, and Ms. Akanksha Priya.

The celebration featured various performances such as dancing, singing, drama, stand-up comedy, and the main highlight – Mr. & Ms. Fresher's of Renaissance 2k23. The event started with a Ganesh Vandana dance performance, followed by couple dance, solo dance, group dance, and a dance battle. The efforts of the student committee and participants were crucial in making the event a success. The party ended with a DJ music session and EDM, where students and faculty members danced, creating an atmosphere of joy and relaxation.

# INTERNATIONAL CONFERENCE 2023

The third annual international conference on the topic 'Transformation through Technology and Transdisciplinary Education' was organized on Saturday, 9th December at Lloyd Group of Institutions (Pharmacy) located at Knowledge Park-2, Greater Noida. Its main objective is to use AI in areas like research, innovation, health and education in line with PM Modi's national missions like Self-reliant India, Digital India and Make in India. To promote positive outcomes. This conference was organized in collaboration with DPSRU, PHD Chamber of Commerce & Indian Pharmaceutical Association (Delhi).

The conference brought together academics, researchers, policymakers, and industry leaders from around the world to discuss the future of transdisciplinary education in the digital age. The program was inaugurated by Kapil Dev Aggarwal, Ministry of State, Vocational Education and Skill Development Uttar Pradesh, Awaneesh Awasthi, Chief Advisor, Government of Uttar Pradesh, Dr. Deependra Singh, Chairman Education Regulation Committee, PCI, Manohar Thairani, President of Lloyd Group and Dr. Vandana Arora Sethi, Group Director of Lloyd Group, lighting the lamp. More than 500 abstracts and more than 1500 students, teachers, from India and abroad participated in the international conference.

In the opening address, Mr. Awaneesh Awasthi highlighted the importance of technology and transdisciplinary education in transforming the way we learn and teach. He said that technology can help to make education more accessible, effective, and engaging. He also emphasized the importance of transdisciplinary education in preparing students for the challenges of the 21st century. The book 'Souvenir cum Abstract' was also released. During the conference, Aseem Sahu, Deputy Drug Controller India and Dr. Vibhu Sahni, Dean PCI were honored with the Exemplary Pharmacy Professional Award and Dr. G.N. Singh was honored with the Life Time Achievement Award.

The conference featured a variety of speakers and sessions, including: Keynote addresses by leading experts in the fields of education, technology, and transdisciplinary research. Panel discussions on topics such as the future of education in the digital age, the use of technology in education, and the benefits of transdisciplinary education and urged policymakers to consider the following recommendations. Invest in research and development in the area of technology-enhanced education. Support the development of transdisciplinary educational programs. Create policies that encourage collaboration and innovation in education. Paper presentations on a wide range of topics related to education and technology. The conference concluded with the address of Dr. Vandana Arora Sethi. She thanked everyone who participated in the conference and said that "forums like this are very important to bring about change in education." This conference is being considered an important milestone in the field of education. The suggestions emerging from this conference can be submitted to Central Government to include in the education policy. The conference also included a cultural evening featuring performances by live musical band.

# ALUMNI

## MEET-2024

---

The Alumni Meet - Flagship event of the Alumni Association, was held on the 10th of February 2024. The ceremony took off with the arrival and registration of the Alumni Association of our alumni and welcome with tilak. We awaited the time of the inaugural ceremony scheduled at 1:15 pm. We are glad that the range of alumni from Batch 2008 to 2023 showed their presence.

The lamp-lighting ceremony was headed by our Group Director, Dr. Vandana Arora Sethi. The day moved on with get together at the Seminar Hall. We were delighted to have seniors feel alive and at home by the welcoming of most of their juniors. The cultural performance was presented by first and second-year students. Our oldest alumni present, Mr. Sandeep Mishra of 2008 batch gave a warm address at the event rejuvenating the memories of his Alma Mater.

Many Fun games and activities were also arranged for Alumni and their family members also. They discussed their beautiful college days at Lloyd and interacted with the staff members and with their friends. The event moved with the award ceremony in various fields like Business, Entrepreneurship and research followed by a group photograph. An amazing lunch was arranged for the Alumni. Our Alumni delighted the meal with their presence. It was an eventful evening that catered to getting together the breadths of LIMT all in one place. A live band and stand-up comedy were aligned for the entertainment of Alumni.

The event was stimulating and enjoyable and simultaneously profitable as all members shared their views and a good number of new ideas, information, and insights came up. We are grateful for the presence of all our alumni and the love we received from them. We look forward to their presence in the subsequent years of the Alumni Meet too. We wish them a successful and fruitful life ahead.

The banner features a large orange semi-circle on the left side. On the right, there is a circular inset showing a close-up of a soccer ball. The word 'SPORTS' is partially visible in a bold, purple font at the top right. The main title is written in a mix of orange and grey fonts, and a paragraph of text in a dark grey font is at the bottom.

# ANNUAL INTER COLLEGE SPORTS COMPETITION 2024 (KHELIESTA)

Lloyd Institute and Management and Technology (Pharm) has conducted the Annual Inter College Sports Competition-2024 (Kheliesta) to encourage students to prioritise physical activity and build a healthy competitive spirit. The event was organised at the Sport ground of Lloyd College. An inter college sports competition, Kheliesta received entries from various cities of Uttar Pradesh. We witnessed team entries from Aligarh Muslim University, Aligarh; Dayal Bagh Educational Institute, Agra; Mangalmay Institute, Greater Noida; Amity University, Greater Noida, to name a few. A remarkable number of approximately twenty teams in different sports categories, taking the number of participants to a record thousand. The event was inaugurated on 13th February 2024 by Head of Growth and Chief Strategy Officer, Prof. Dr. Vandana Arora Sethi. Professor Sethi commenced the event with the torch lighting ceremony and encouraged all participants to portray great performance and sportsman spirit.

The event was graced by Mr. Virendra Singh, a renowned International Kabaddi Player on the final day of the event who addressed the students and shared his inspiring experience as an Indian sportsman.

The winners of the sports fest have been awarded with trophies and medals. The Sports Fest 2023 was organized by LIMT, Greater Noida, under the coordination of Dr. Lalit Kumar Tyagi (Principal, LIMT), Dr. Ashish Parashar (Professor, LIMT Greater Noida) on 27th and 28th October 2023 for B.Pharm and M.Pharm students.

The winners of the sports fest have been awarded with trophies and medals. The Sports Fest 2023 was organized by LIMT, Greater Noida, under the coordination of Dr. Lalit Kumar Tyagi (Principal, LIMT), Dr. Ashish Parashar (Professor, LIMT Greater Noida) on 27th and 28th October 2023 for B.Pharm and M.Pharm students.

The Sports Fest 2023 was a testament to the importance of extracurricular activities in fostering all-around development in students, allowing them to unwind from academic pressures while building strong bonds with their peers.

# Niyukti 2024

The Lloyd Group organized Niyukti-2024, their 8th Mega Job Fest on Saturday, 06th April'24. The Job Fest was organized specifically for candidates of Pharmacy background. Preparations began months prior at Lloyd-campus as they invited students from various Institutes/Universities not only from Delhi NCR but from all over the nation. Invitations were sent out to various multinational brands from different sectors like production, quality assurance, quality control, sales & marketing, business development, retail & hospital Pharmacy, regulatory affairs, etc. to interview and offer jobs to the eligible candidates. More than **800 students registered** from **100+ Institutes/ Universities** registered for the placement drive conducted by **40+ companies**.

Lloyd successfully interviewed more than **600 students** from **100 Institutes/Universities**, from Institutes all over India including some leading institutes like Delhi Institute of Pharmaceutical Sciences and Research University (DPSRU), Jamia Hamdard (New Delhi), NIPER (Bareilly), NIPER (Ahmedabad) Amity University, Guru Jambheshwar University of Science and Technology (Hisar), KIET Group of Institutions (Ghaziabad), K.R. Mangalam University, Apeejay Stya University (ASU), College Of Pharmacy PGIMS (Haryana), Dev Bhoomi Uttarakhand University (School Of The Lloyd Group organized Niyukti-2024, their **8th Mega Job Fest** on Saturday, 06th April'24. ## CLINICAL TRIAL DAY

Lloyd Institute of Management and Technology in collaboration with Indian Society for Clinical Research held a Seminar on "Medical Writing and Data Analysis" on the occasion of International Clinical Trial Day only at our campus 1 on Monday, 20th May 2024.

The main objective of this seminar was to give detailed information to the students on the importance of data for clinical trials, various dimensions of the process of tracking and analyzing data. In this, Vidhi Vashisht, V.P, Language writing Crystalis, Puja Banerjee, Director Medical Communication services, Pooja Phogat, CO Founder and CEO Crustalis, Sai Priya J., Health Economics and outcome Research, Parexel, Shalini Dwivedi, VP Clinical Traial Transperacy Crystalis, addressed the delegates and over 200 B.Pharm and M.Pharm students from various colleges and universities across Delhi,NCR.

## INTERNATIONAL YOGA DAY CELEBRATIONS

Lloyd Group of Institutions marked the momentous occasion of International Yoga Day by collectively practicing various Yoga Poses with the staff and faculties. The event was kick-started by Mr Abhishek, the Yoga Trainer at Lloyd with the staff and faculty members. The session was executed with visible enthusiasm and engagement from all participants. As an institution that focuses on holistic development, these sessions were a step toward a healthier and mindful future for our students. During the event, our Group Director zestfully indulged in performing various asanas, while also disseminating her perspective on Yoga's positive impact on physical as well as mental well-being. Aligned with the Prime Minister's vision of practicing yoga for humankind's welfare, these efforts by Lloyd are a testament to a comprehensive approach to wellness that we follow as well as our spirit of celebration.

2023

The Lloyd Institute of Management and Technology, Greater Noida proudly organized an International Yoga Day on 21st June, 2024, as part of the week-long Yoga Mahotsav Celebration.

This event, held in the Yoga Studio on our campus, brought together students and faculty to participate in a day dedicated to the practice and principles of yoga. The theme for the day, "Find Your Balance On and Off the Mat," was chosen to emphasize the significance of achieving equilibrium in all aspects of life.

The Yoga Day event commenced at 9:00 AM with an opening ceremony. The ceremony included an introduction to the day's activities and a brief speech highlighting the importance of yoga in fostering physical and mental well-being. The event was graced by our esteemed yoga trainer, Mr. Abhishek Pachauri, whose expertise and guidance were instrumental in the success of the day.

Students and faculty members from various departments actively participated in the Yoga Day activities. The event saw a diverse group of participants, reflecting the widespread interest and commitment to promoting a healthy and balanced lifestyle within our campus community. The total number of participants was approximately 216, including both students and faculty. We extend our sincere gratitude to all participants, faculty members, and the organizing committee for their dedication and support in making this event a memorable and impactful experience. The success of this event reflects our commitment to promoting a balanced and healthy lifestyle.

2024

# WORKSHOP/ TRAINING CERTIFICATE PROGRAMMES

## SHORT-TERM COURSE ON MEDICAL CODING

The 5-Day Short Term Certification Course on Medical Coding was successfully conducted from 8th July to 12th July 2024 in collaboration with CodEvo Academy at Lloyd. This program aimed to equip participants with the foundation knowledge and practical skills required for medical coding, a crucial aspect of healthcare administration. The course was attended by 81 participants, including students & faculty members of different colleges, healthcare professionals, and administrative staff.

The diverse group ensured a rich learning experience, with participants bringing various perspectives to the sessions. Participants provided positive feedback about the course, highlighting the clarity of instruction, the relevance of the content, and the hands-on exercises. The knowledge and skills imparted during the course will undoubtedly benefit the participants in their professional endeavors. We look forward to hosting similar programs in the future to continue supporting the professional development of our community.

## SHORT-TERM COURSE ON PHARMA DATA ANALYTICS

On 15th July, 2024, The program was inaugurated by eminent speakers Ms. Meenal Bhatt, Mr. Abhishek Kumar Pathak, Mr Arun Joshi, from Pharma, SME, IBM. After the inaugural ceremony, Dr. Vandana Arora Sethi (CSO and Group Director, Lloyd Group of Institutions) addressed the audience. She initiated her speech about the importance of short skill program and gave some examples how these skill will be beneficated for students.

The guests were welcomed and felicitated by Dr. Vandana Arora Sethi. After that, Ms. Meenal Bhatt addressed the participants. Then Mr. Abhishek Kumar Pathak gave a brief introduction to data analytics and techniques used in Pharma Industry.

Prof (Dr.) Saumendra Mohanty, LBS gave a brief introduction about the analytical methods and applications of these methods in pharmacy industries. He also gave hands on training session on Orange Statistical Analysis software. Prof (Dr.) Prof Mohit Agrawal, LBS gave hands on training session on data mining tool Microsoft Power BI software. Prof (Dr.) Neetu Kamra, LBS gave her session on IBM cognos webtool for data mining. Mr Arun Joshi, Pharma SME, IBM gave an insightful session on application of Internet of Things (IoT). Upon the program completion, the certificates were distributed to all the participants.

# WORLD PHARMACISTS DAY & PHARMACOVIGILANCE — WEEK —

The World Pharmacists Day & Pharmacovigilance week was celebrated at Lloyd Institute of Management and Technology (Pharm.), Knowledge Park-2, Greater Noida, It provides a vital platform to recognize the indispensable role of pharmacists in healthcare. In honor of this occasion, Lloyd Institute of Management and Technology (Pharm.) in association with Kailash Hospital, Greater Noida organized a Health Check-up Camp in the campus under the theme "Pharmacists: Meeting global health needs" highlighting the invaluable contribution of pharmacists to the healthcare ecosystem.

The event offered a range of essential health screening services. These included blood pressure checks, blood glucose tests for diabetes Management, BMI measurements for weight-related health insights, vision and eye health screenings to promote oral health, and hemoglobin tests to assess overall health status. After the tests, the doctors provided valuable advice and information on medications. This initiative gave participants an opportunity to monitor their health and raise awareness about their well-being.

The event witnessed significant participation from the community, with approximately 150 individuals, including students, faculty members, and staff, taking advantage of the health check-up facilities. The success of this initiative was made possible by the dedicated team of doctors, staff nurses, and clinical staff from Kailash Hospital, who generously contributed their time and expertise. To express their appreciation for the team's efforts, certificates of appreciation were presented as a token of gratitude. On this occasion, Dr. Vandana Arora Sethi, Group Director, emphasized that new diseases have emerged due to irregular lifestyles, and there is a need for research

and the discovery of new drugs to combat these challenges. Dr. Sethi further encouraged pharmacy students to gain deeper knowledge of the latest global advancements in the pharmaceutical industry. In addition to the health camp, a Poster and Slogan Writing Competition was held in line with the World Pharmacist Day and Pharmacovigilance week. The competition was based on themes, "Pharmacists: Meeting global health needs" and Building ADR Reporting culture for Patient Safety. Nearly 100 students from B.Pharm and M. Pharm programs participated in the competitions. The winners were as follows:

## POSTER MAKING COMPETITION

**First Prize:** Abdul Nafiz (1st year); Priya Kumari (3rd year)

**Second Prize:** Ayush & Soumya (2nd year); Aarti & Ankita (4th year)

**Third Prize:** Shivam Goswami (1st year); Sudhanshu & Ritik Bhushan (2nd year)

## SLOGAN WRITING COMPETITION

**First Prize:** Priya Kumari (3rd year)

**Second Prize:** Yash Mishra, Vivek Dubey (1st year)

**Third Prize:** Niyati (1st year); Anya (2nd year)

*The students thoroughly enjoyed the event and showcased their talents throughout the day.*

The celebration of World Pharmacist Day was organized and coordinated by Dr. Lalit Kumar Tyagi (Principal, LIMT, Greater Noida), Ms. Shilpa Pawha (HOD, LIMT, Greater Noida) on 25th September 2023 for B.Pharm and M.Pharm students.

The event commenced with lamp lighting and Saraswati Vandana, followed by an inauguration speech by Dr. Lalit Kumar Tyagi, who emphasized the value of the pharmacy profession and the role of pharmacists in the healthcare system.

The celebration included various cultural activities such as a rangoli competition, poster-making competition, quiz competition, and a health check-up camp. Students actively participated in these events with enthusiasm, and winners were awarded certificates.

# ORIENTATION PROGRAM **PRARAMBH 2024**

The Orientation Program, **PRARAMBH 2024**, marked the commencement of the academic session for M. Pharm and B. Pharm students. The meticulously planned event aimed to instill a sense of belonging, inspire academic excellence, and emphasize the importance of pharmacists in global health.

The program began with an introduction highlighting the purpose and importance of the orientation. An auspicious start to the event was with the ceremonial lighting of the lamp and Saraswati Vandana. A cultural performance set the tone for the day's activities. A welcome Address was delivered by Dr. Vandana Arora Sethi, Group Director, Lloyd Group of Institutions, inspiring students to excel in their academic and professional journeys. Students donned lab coats, signifying their commitment to the field of pharmacy, followed by the Pharmacist's Oath. Top-performing students and GPAT Excellence Awards were recognized for their dedication and achievements. Class Representatives & Placement Coordinators were honored for their leadership and contributions. Outstanding faculty members were recognized for their exceptional contributions to teaching and research.

- A Panel Discussion with the Theme: **"Pharmacists: Meeting Global Health Needs"** included panelist from all esteemed Institutes and Pharmaceutical companies of India: Prof. (Dr.) Harvinder Popli (Director, DPSRU, Innovation & Incubation Foundation, Delhi), Prof. (Dr.) Vidhu Aeri (Professor, Jamia Hamdard, New Delhi), Dr. Ashish Arora (Sr. Research Manager, Sun Pharma, Gurugram). The moderator of the Panel was Prof. (Dr.) Chitra Gupta (Dean PG, Lloyd Institute of Management & Technology). The discussion emphasized the evolving role of pharmacists in addressing global health challenges and the importance of interdisciplinary collaboration. The Guest of Eminence, Shri K.R. Chawla, Head of Office & Deputy Drug Controller, Govt. of NCT of Delhi, delivered an insightful address on regulatory advancements and the critical role of pharmacists in public health. The event concluded with a vote of thanks, expressing gratitude to all dignitaries, students, and organizers. This was followed by a group photography to commemorate the occasion.

## GUEST LECTURE

On 17th September 2024, Lloyd Institute of Management and Technology, in association with Fortis Hospital, organized an insightful guest lecture on the topic, "The Growing Threat of Antimicrobial Resistance: Challenges and Solutions". The lecture was delivered by Mr. Suraj Gupta, Clinical Pharmacologist, Fortis Hospital, Vasant Kunj.

The session began with a warm welcome by the Group Director of Lloyd Institute, who emphasized the importance of raising awareness about critical healthcare challenges, especially antimicrobial resistance (AMR), which is increasingly becoming a global public health concern.

Mr. Suraj Gupta, with his extensive experience in clinical pharmacology, provided an in-depth analysis of the growing threat posed by antimicrobial resistance. He explained how the overuse and misuse of antibiotics have accelerated the rise of drug-resistant bacteria, making many infections harder to treat. Highlighting the challenges, he pointed out the lack of new antibiotics in development, the misuse of existing drugs, and the gap in public awareness as key factors contributing to the problem.

**Mr. Suraj Gupta**  
Clinical Pharmacologist  
Fortis Hospital, Vasant Kunj

## THE LECTURE COVERED THE FOLLOWING KEY POINTS:

**1. Current Status of Antimicrobial Resistance:** Mr. Gupta discussed the statistics and trends of AMR worldwide, explaining how common bacterial infections are increasingly becoming untreatable due to resistance.

**2. Challenges in Combatting AMR:** He addressed the numerous challenges faced by healthcare systems, including inadequate diagnostic tools, lack of stringent regulatory frameworks, and the over-prescription of antibiotics.

**3. Proposed Solutions:** The talk highlighted several potential solutions to curb the rise of AMR, such as the development of novel antibiotics, better antibiotic stewardship programs, public awareness campaigns, and promoting research in alternative therapies like bacteriophages and vaccines.

**4. The Role of Healthcare Professionals:** Mr. Gupta stressed the responsibility of healthcare providers in prescribing antibiotics responsibly and the importance of educating patients about the proper use of medications.

The session concluded with an interactive Q&A session, where students and faculty had the opportunity to engage with Mr. Gupta on various aspects of antimicrobial resistance. His insightful answers helped clarify several doubts and expanded the audience's understanding of the issue.

The lecture was well-received by the audience, which included students, & faculty members. Mr. Gupta's expertise and clarity of explanation provided a comprehensive understanding of the growing threat of antimicrobial resistance and the urgent need for collaborative efforts to combat this global health challenge.

The event ended with a vote of thanks from the organizing team, expressing gratitude to Mr. Suraj Gupta and Fortis Hospital for their collaboration, and reaffirming Lloyd Institute's commitment to organizing more such knowledge-sharing events in the future.

## ALUMNI TALK SERIES MARGDHARSHAN

The Alumni Talk Series, Margdharshan was organized by Lloyd college and successfully hosted a guest lecture by Mr. Pawan Kalra on 23rd October 2024. The session, focused on "Growth Opportunities in the Pharmaceutical Industry," was part of a series aimed at bridging the gap between academic learning and professional expertise by connecting students with industry veterans.

Mr. Kalra, an esteemed alumnus and a seasoned professional in the pharmaceutical sector, shared his valuable insights into the evolving trends, challenges, and emerging opportunities in the industry. His talk provided a comprehensive overview of how pharmaceutical companies can navigate the current landscape to achieve sustainable growth. Mr. Kalra began his lecture by giving a detailed introduction to the global pharmaceutical industry, which has witnessed substantial growth over the past few decades. He highlighted the key factors driving this growth, including: Rising Global Healthcare Needs, increased demand for healthcare, especially in emerging markets.

Advancements in Technology: the role of AI, machine learning, and biotechnology in drug development, Aging Population: A global trend towards an older demographic, driving the demand for chronic disease treatments and geriatric care.

Mr. Kalra also discussed the various career avenues within the pharmaceutical industry, ranging from research and development to sales and marketing, and regulatory affairs. He emphasized the following skill sets that students should develop to remain relevant in this rapidly evolving sector such as biotechnology, molecular biology, pharmacology, and data analytics. The session not only broadened students' perspectives on the industry but also motivated them to prepare for future roles by honing both technical and soft skills. The Margdharshan series continues to serve as an invaluable platform for students to interact with accomplished alumni and gain first-hand industry knowledge. This guest lecture has undoubtedly equipped attendees with the necessary knowledge and inspiration to pursue successful careers in the pharmaceutical industry.

# DIWALI

## FEST-2024

Lloyd organized a delightful **Diwali** for the students on **08 November 2023**. The main Motive of this event was to encourage students to take part in the co-curricular activities as well as to celebrate the festival with a sense of togetherness and cultural aspect. The event opened with the colorful rangoli and Diya making competition where students showcase their talent with the splash of colors. There were various food, games and fun stalls for everyone to enjoy and have fun. The students were awarded for the best decoration of stalls and highest revenue generation.

The event was followed by Tug-of-war between Pharmacy students. Pharmacy girl's team bagged the trophies. The celebration was summed up by students with the enthralling **Nukkad natak** which was enjoyed by the audience and students. The Diwali Celebrations-2023 was successful as the students showed interest to participate in it and also presented with a keen interest in each of the events conducted. The number of students participating from the Pre-final and Final years was impressive.

Many students took the first step in participating in an event through the Diwali celebrations and came out of their comfort zones. This also allowed them to show their creativity as well as get a break from their daily schedules. The events were conducted as planned and a very minimal delay was caused in the duration of the event. Discipline was also well maintained with the help of faculty members and Judges present at the events. Students enjoyed their day and learned along with fun as they dressed up in colorful ethnic wear to celebrate the festival of light. The Diwali celebration was a huge success and encouraged students to exhibit their best and celebrate grand.

## AWARENESS OF **PHARMACOVIGILANCE** PROGRAM FOR AYURVEDA, SIDDHA, UNANI, AND **HOMEOPATHY** (ASU&H) MEDICINES

The guest lecture aimed to promote health awareness among pharmacy students by enhancing their understanding of the pharmacovigilance program for ASU&H medicines. The session provided insights into the safe and effective use of traditional medicinal systems and the importance of monitoring adverse drug reactions (ADRs) to ensure public health safety.

**Dr. Pankaj Gupta** is an esteemed professional serving as the Assistant Director at the Department of DDPRCRIH under the Ministry of AYUSH. With extensive expertise in traditional medicine and pharmacovigilance, Dr. Gupta has been instrumental in promoting the safety and efficacy of ASU&H practices across India. Dr. Gupta engaged students in an interactive Q&A session, addressing their queries about the integration of pharmacovigilance with traditional medicine. Students expressed keen interest in understanding the regulatory processes and the global acceptance of ASU&H practices. The session successfully enhanced students' awareness of the critical role of pharmacovigilance in ensuring the safety of ASU&H medicines. It inspired participants to contribute to the pharmacovigilance ecosystem and fostered a deeper appreciation for traditional medicine systems. The guest lecture by Dr. Pankaj Gupta was an enriching experience for the pharmacy students of Lloyd Institute of Management & Technology. The event highlighted the importance of vigilance in traditional medicine and encouraged the younger generation to play an active role in promoting health safety through pharmacovigilance.

# INTERNATIONAL CONFERENCE 2024

International Conference on  
"Transformative Journeys: Harnessing AI  
and Innovation for Sustainable  
Development of the Pharmaceutical and  
Healthcare Sector" 2024

On Saturday, December 14

**Lloyd Group of Institutions** (Pharmacy), hosted the 4th Annual International Conference on the theme, **"Transformative Journey: Leveraging AI and Innovation for Sustainable Growth in Pharmaceuticals and Healthcare"**. The event aimed to align with national missions such as Prime Minister Narendra Modi **"Developed India 2047"** and "Digital India" emphasizing the positive impact of AI in research, innovation, health, and education. The conference was organized in collaboration with Lloyd Group, PHD Chamber of Commerce, the Indian Pharmaceutical Association (Delhi Branch), and IBM Business Analytics Lab.

The event was inaugurated by esteemed guests, including Prof. J.P. Pandey, Vice-Chancellor of Dr. A.P.J. Abdul Kalam Technical University, Lucknow; Mr. Rajeev Gulati, Former President of Ranbaxy; Dr. Rajeev Chhibber, Vice President of Sahajanand Medical Technologies.

**Prof. R.K. Khar**, Director of B.S. Anangpuria Institute of Pharmacy; Mr. Raman K. Khepar, Senior Director at Jubilant Biosys; Mr. Manohar Thairani, President of Lloyd Group; and Dr. Vandana Arora Sethi, Chief Strategist Officer of Lloyd Group. The inauguration began with the lighting of the ceremonial lamp.

During the inaugural session, **Prof. J.P. Pandey** highlighted the transformative role of advanced technologies such as additive manufacturing, precision medicine, digital therapeutics, big data analytics, AI, and blockchain in propelling the Indian pharmaceutical industry to global prominence. He encouraged students to dream big and contribute to "Aatmanirbhar Bharat" by becoming entrepreneurs. The conference featured over 506 research abstracts and saw participation from more than 1,500 students, academicians, researchers, and delegates from India and abroad.

Panel discussions were a key highlight, featuring industry experts who explored the application of AI in areas such as digital therapeutics, precision medicine, and data analytics. These sessions provided strategic insights for positioning the Indian pharma industry as a global leader.

Several distinguished individuals were honored during the event. Mr. Rajeev Gulati received the “Exemplary Pharmacy Professional Award” and Prof. R.K. Khar was presented with the **“Lifetime Achievement Award”**. Pratham Agarwal was recognized as the “Best Outgoing Student” and outstanding participants were awarded “Best Paper” and “Best Poster” prizes. In the closing session, Dr. Vandana Arora Sethi expressed gratitude to all participants and collaborators. She emphasized that such conferences are instrumental in fostering innovation and advancing education. She also mentioned that the key recommendations from the conference would be shared with policymakers to benefit students indirectly.

The event also highlighted the upcoming Lloyd Job Fest in April 2025, inspired by Uttar Pradesh Chief Minister Yogi Adityanath's vision for employment. A cultural evening featuring a live musical band captivated the audience, making the conference a perfect blend of knowledge, innovation, and entertainment. This event marked a significant step in promoting collaboration between academia, research, and industry, contributing towards a self-reliant and digitally empowered India.

# THE PATHWAY PROGRAM

The Pathway Program organized by Lloyd Institute of Management and Technology was a comprehensive series of online sessions aimed at providing in-depth insights into the pharmaceutical field. Conducted weekly every Wednesday, the program ran from 26th June 2024 to 31st July 2024, featuring six sessions led by esteemed Faculty members. This program was specifically designed for the B. Pharm New Entrants to give them an insight of Pharmacy education.

## EXPLORING THE DYNAMICS OF THE PHARMACEUTICAL INDUSTRY FROM THEORY TO PRACTICE

This session delved into the fundamental dynamics of the pharmaceutical industry, bridging the gap between theoretical knowledge and practical application. Mr. Dhiyani provided a comprehensive overview of industry operations, emphasizing the importance of aligning academic learning with industry practices.

**Mr. Vivek Dhiyani**  
Associate Professor & Head-CRC

## EXPLORING PHARMACEUTICAL OPPORTUNITIES OVERSEAS CHARTING YOUR CAREER PATH

Dr. Sharma's session focused on global career opportunities in the pharmaceutical sector, highlighting the pathways for aspiring professionals to establish themselves internationally. She provided valuable insights into navigating career prospects overseas, including necessary qualifications and potential challenges.

**Dr. Anjana Sharma**  
Professor

## EMERGING INFECTIOUS DISEASES AND THE ROLE OF VACCINES IN **GLOBAL HEALTH SECURITY**

In this session, Mr. Kanchav discussed the critical role of vaccines in combating emerging infectious diseases and ensuring global health security. He emphasized the scientific advancements and collaborative efforts needed to address the threats posed by new pathogens.

**Mr. Harshit Kanchav**

Assistant Professor

## UNDERSTANDING WHAT **PATENTS** ARE AND WHY **THEY ARE** IMPORTANT IN THE **PHARMACEUTICAL INDUSTRY**

Dr. Chauhan elucidated the concept of patents and their significance within the Pharmaceutical industry. Her session covered the process of obtaining patents, their impact on innovation, and the protection they provide to intellectual property.

**Dr. Divya Chauhan**

Assistant Professor

## LESSONS **LEARNED** AND **ADAPTATIONS** IN **HEALTHCARE DELIVERY** **DURING THE PANDEMIC COVID-19**

Mr. Nirmal's session reflected on the healthcare delivery adaptations necessitated by the COVID-19 pandemic. He discussed the lessons learned, innovations implemented, and the lasting changes in healthcare systems to improve resilience against future pandemics.

**Mr. Puneet Nirmal**

Assistant Professor

## **PHARMACEUTICALS** IN YOUR HOME: **DISCOVERING** **EVERYDAY MEDICINE** ESSENTIALS

Mr. Bhatt explored the pharmaceutical products commonly found in households, providing insights into their uses, safety, and importance. He emphasized the role of everyday medicines in maintaining health and managing minor ailments effectively.

**Mr. Pankaj Bhatt**

Associate Professor

# GPAT QUALIFIERS 2024

1. B.Pharm 3rd year for receiving 3rd position IN A Herbal Product Development contest during **"World creativity and Innovation Day-2024"** organized by Lloyd Transpire Club, Greater Noida.
2. **1st Position** in Slogan writing competition held at **Lloyd Institute of Management and Technology** on 23rd September 2024.

**MS. PRIYA KUMARI**

## Alumni Testimonial

I Reshma Mishra, from batch 2004-08, started my career at Himachal Pharmaceutical Company for approximately 6 months. Later, I joined as a Drug Regulatory Affair (DRA) in Delhi-NCR. Later in 2012, I established my own company named Florencia Healthcare, which has been well established for 11 years as an exporter and is flourishing. We mostly deal with oncology products.

**Ms. Reshma Mishra**  
B.Pharm. (Batch-2004-08)

The Department of Pharmacy at Lloyd has provided me with ample opportunities for learning and understanding healthcare through integrating theoretical knowledge with practical and realistic applications. I have had many fantastic learning experiences that enriched my horizon in the healthcare world. The department also motivated me to develop ideas and pursue knowledge related to advocacy on issues of healthcare and healthcare infrastructure in the developing world. The department has also encouraged me to present my ideas and insights at the national and international level through publication and poster presentations as well as participation in international conferences. In a nutshell, I am proud to say it has been more than a privilege to be a part of the fantastic environment of knowledge, science, and leadership."

**Ms. Nancy Batra**  
B.Pharm. (Batch-2013-17)

I feel immensely grateful for being a part of this outstanding academic community that has empowered me to pursue my dreams and achieve success in my career.

**Mr. Naveen Bhardwaj**  
B.Pharm (Batch-2019-23)

I have a great experience studying at Lloyd, a memory to cherish for lifetime. My experience at LSP was full of learning and grooming. It gave me an opportunity to meet different kind of people from around the world and learnt many things from them. I am thankful to all the faculties, mentors and entire LSP department for providing us with quality education. Overall it was a great experience and lifetime memory at LSP. If you want to make a career in Pharmacy I would highly

**Ms. Mansi Pandey**  
B. Pharm. (Batch 2019-23)

It Was A Great Experience Studying At Lloyd School Of Pharmacy, A Memory To Cherish For Lifetime. My Experience At Lsp Was Full Of Learning And Grooming. Being A Global Institution It Gave Me An Opportunity To Meet Different Kind Of People From Around The World And Learnt Many Things From Them. I Am Thankful To All The Faculties, Mentors And Entire Skill Full Faculty Or Department For Providing Us With Quality Education. I Am Also Grateful To Tnp Cell For Organising Placements In Past Pandemic And Helping Me And My Colleagues Get Placed In Companies On Campus Including Mnc And Big Firms. Overall It Was A Great Experience And Lifetime Memory At Lloyd School Of Pharmacy. If You Want Toget Exposure From All Around I Would Highly Recommend You To Join Lloyd School Of Pharmacy.

**Mr. Rahul Rohilla**  
B.Pharm. (Batch 2019-22)

My journey through LSP has a significant impact on my life and **WINNER** to shape me into a well rounded Individual. The faculties are very much supportive in all manners the atmosphere at the campus is very Positive. I'm thankful to everyone who supported me

**Ms. Shifa Aashmeen**  
B.Pharm. (Batch 2019-23)

## FACULTY ACHIEVEMENTS

### Dr. Radha Goel

Professor

Lloyd Institute of Management & Technology

Honored as Advisory Board Member at Biostart: Bridging Innovative Research & Startups in Pharmaceuticals organized by S.D College of Pharmacy & Vocational Studies, Muzaffarnagar.

### Dr. Syed Salman Ali

Associate Professor

Lloyd Institute of Management & Technology

for receiving Award of Recognition for wonderful contribution as "Scientific evaluator" during International Conference at Amity University
