The Institute

In the year 2004, Lloyd Group established its sprawling campus in the lush green environment in Greater Noida, 25 km from Delhi. The Institute offers multi-disciplinary industry oriented-programs. It is one of the best private institutes in North India. From business management programs to programs in pharmaceutical technologies and from legal studies to education programs, Lloyd is a veritable profusion of educational services.

The B. Pharmacy program of Lloyd is NBA Accredited which reassures the promise to deliver quality education.

Vision of the Institution

"To become a globally recognized, education and research organization in the field of pharmaceutical sciences and produce quality professionals to contribute to the well-being of society and growth of the Pharmaceutical Industry."

Mission of the Institution

- ★ To produce high-quality professionals with quality education, and technical training, sensitive to the ever-changing needs of the profession, society, industry, and country.
- ★ To create an environment of continuous upgradation and higher studies to meet professional, economic, and social standards.
- ★ To promote innovation, research, and entrepreneurship to meet challenges and foster an environment of collaboration.
- ★ To inculcate high morals, professional and ethical values amongst our students, transforming them into quality service providers.

Program Educational Objectives (PEOs)

- **Technical Expertise:** Graduates will develop themselves into academically sound professionals possessing scientific and technical knowledge to undertake diverse responsibilities related to the pharmacy profession.
- **Continuous Learning:** Graduates will strive to expand their knowledge to maintain professional competence and also strive for higher education and professional trainings. They shall be ever ready to access and accept new technologies and challenges.
- **Soft Skills:** Graduates will be able to communicate and work effectively as part of team in their respective organization and take responsibilities and lead as and when required.
- **Professional Ethics:** Graduates will be able to learn professional ethics and imbibe value systems needed for growth and well-being of society. They shall ensure high standards, quality and authenticity in endeavours.

MESSAGE FROM EDITORIAL DESK

Dear Readers,

We are excited to present the latest edition of our institute's news magazine, where we aim to keep you informed about the remarkable happenings and achievements within our community. As the editorial board, we have been privileged to witness the continuous growth and development of our institute, and we are thrilled to share these stories with you.

Over the years, our mission has been to provide you with timely, relevant, and engaging content that reflects the diverse happenings within our institute and the broader world of academia. We have strived to be your trusted source of information, serving as a platform to highlight the achievements, research breakthroughs, and inspiring stories of our students, faculty, and staff.

We believe in the power of knowledge dissemination and the role it plays in fostering intellectual growth and innovation. It has been our constant endeavor to showcase the exceptional work being carried out by our institute's community, which encompasses a wide array of disciplines and expertise.

In the face of numerous challenges and unprecedented times, our institute has consistently demonstrated resilience and adaptability. We have witnessed remarkable achievements and milestones that have significantly contributed to our collective growth and reputation.

As we look to the future, we are committed to continuing our pursuit of journalistic excellence. We aim to bring you even more thought-provoking articles, captivating interviews, and in-depth features that shed light on the cutting-edge research, innovations, and initiatives emerging from our institute.

In this edition, you will find a diverse range of articles and features that highlight the exceptional accomplishments of our students, faculty, and staff. Additionally, we delve into the groundbreaking research being conducted by our esteemed faculty members. Their pioneering work in fields such as medicine and engineering, is pushing the boundaries of knowledge and creating a positive impact on society. Through their dedication, our institute continues to make significant contributions to the advancement of various domains.

Lastly, we would like to express our gratitude to the institute's administration, faculty, and students for their constant support and encouragement. Without their collaboration and contributions, the news magazine would not be the success it is today.

Thank you for being a part of our journey. We look forward to bringing you many more inspiring stories and thought-provoking content in the future.

Sincerely,

The Editorial Board

INSTITUTE'S ACHIEVEMENTS & AWARDS

CGTP Cell @ Lloyd

INDUSTRIAL VISIT

HIGLANCE LABORATORIES PVT. LTD

As per A.K.T.U. Curriculum Lloyd Institute of Management & Technology (Pharm.) organized Industrial Visit to HiGlance Laboratories Pvt. Ltd. at Roorkee, Uttarakhand on 17th December 2022.

Twenty-three students of M. Pharm visited HiGlance Laboratories Pvt. Ltd. where they were briefed about the various departments inside the industry. They visited the warehouse where they learned the storage norms for raw and packaging materials followed by dispensing area, washing areas, and granulation areas.

Students were acquainted with the various tablet and capsule-filling machines. The operator explained different tablet defects and techniques for coating pellets and granules. Students visited the packaging area which was divided into two parts: primary and secondary packaging. They were detailed about the criteria for selecting packaging materials as well as different types of packaging.

MULTANI PHARMACEUTICALS LTD

Twenty students of M. Pharm visited Multani Pharmaceuticals Ltd. where they were briefed about the various departments inside the industry. They visited the Production department where they learned about the production process of different dosage forms. They also visited the Analytical Laboratory and their Quality Assurance department.

Students were acquainted with the various Tablet, Paste & Liquid-filling machines. The operator explained the different processes and working of the machines. Students visited the packaging area which was divided into two parts: primary and secondary packaging.

In the end, the Production and Quality head gave an overview of the company's growth and achievements. In all, it was a great learning experience for students.

MERRIL PHARMA PVT. LTD

The Industrial visit to Merrill Pharma Pvt. Ltd. was organized and coordinated by Dr. A.K. Parashar (Professor at LIMT, Greater Noida), Mr. Vivek Dhiyani & Dr. Chitra Gupta (Dean PG at LIMT, Greater Noida) on April 28th, 2023 for B. Pharm & M. Pharm students. Where we met Mr. Sandeep Chaudhary (Plant Manager), Mr. Manish Kumar

(Assistant-HR), and Mr. Vikas Kumar (QA-Senior Executive). The main objective of the industrial visit was to fulfill the requirement of the PCI & AKTU curriculum. In addition to this, the industrial visit augmented experiential learning, knowledge, and awareness of pharmaceutical industries and their different departments like Manufacturing & Production (Capsules, Tablets, Syrup and Ointments), Quality Control & Quality Assurance, Printing & Packaging Departments.

YAKULT DANONE INDIA PVT. LTD.

Industrial visit to Yakult, Sonipat for students of the Pharmacy Program on 17th May 2023 was organized by the Training and Placement cell, Lloyd Institute of Management & Technology, Greater Noida, Uttar Pradesh. 52 students along with faculty members visited Yakult Plant.

The objective of the visit was to provide practical exposure to the students about the industry and to enhance the academia-industry interface. The students along with the respective faculty members were welcomed by the industry staff of Yakult. Yakult has received ISO 9001: 2008, HACCP, and OHSAS accreditation for manufacturing a safe and quality product for its consumers. Yakult is manufactured at an ISO 9001:2015, OHSAS 18001:2007, and HACCP-certified factory in Sonipat, Haryana in North India. The factory is spread over 8 acres and out of this more than 30% area is the green belt area. The factory is designed as per international standards and special care was taken while designing to maintain the highest level of hygiene standards and deliver the best quality product to its consumers. The process of making Yakult is completely automated and there is no human touch at any point in time. The students were welcomed by Ms. Swati Yadav, BD Manager. Thereafter they were given a brief presentation on the establishment of Yakult and its production strategies. They were informed that Yakult Danone India is a joint venture between the Japanese & French industries. The capacity of the plant is 10 lakhs bottles (units) per day and the milk produced is of excellent quality containing billions of useful bacteria which are essential for the proper functioning of the digestive system. The visit was conducted in two phases. An introductory presentation on Yakult by a Plant operations executive.

The visit was a fruitful experience for the students as they learned the processing stages and the latest technology in producing processed products. It also provided them an opportunity to familiarize themselves with the industry environment. All the queries resulting in the minds of the students were resolved well by the guide. Students participated with enough zeal to make the visit interactive & gained maximum knowledge during the visit. Thus, the visit was very informative, knowledgeable, educational, and enriching.

HOSPITAL VISIT

YATHARTH HOSPITAL

A field visit has been organized as per Diploma in Pharmacy Curriculum on 26th April 2023. The visit was organized at Yatharth Hospital, Greater Noida. The visit comprises final year students of Diploma in Pharmacy.

The visit has been organized with the aim of learning and understanding the process of purchase of drugs, chemicals, and biologicals. Understanding the prescription with detailed and partial exposure gained by the hospital

pharmacy. The highlights of the visit were the tour of various departments of the hospital. Students got the opportunity to visit the GRN OFFICE (Good received note), CSSD (Central sterile supply department), MRD (Medical record department), OPD PHARMACY, and GENERAL PHARMACY where students practically experienced how the hospital staff worked efficiently and calmly to attend the patients with various medical emergencies and serve them with best medical advice. Students also interacted with hospital staff to get a deeper understanding of how a hospital pharmacy work and the important role each department play in delivering quality healthcare.

LLOYD'S NIYUKTI- 2023

Inaugural Lamp Lightening Of The Job Fest-2023 With The Dignitaries

Saturday, 15th April'23: Lloyd Group organized Niyukti-2023, their 7th Mega Job Fest. The Job Fest was organized specifically for candidates with Pharmacy and Management educational backgrounds. More than 2000 students registered from 150+ Institutes/ Universities registered for the placement drive conducted by 50+ companies.

Lloyd successfully interviewed more than 1500 students from 150 Institutes/Universities, from Institutes all over India including some leading institutes like Delhi Institute of Pharmaceutical Sciences and Research University (DPSRU), Jamia Hamdard, Amity University, Guru Jambheshwar University (Hisar), DIT (Dehradun), Benett University, Dr. Harisingh Gour Central University Sagar, GLA University, Galgotia's University, GD Goenka University, GLA University, IPEM (Ghaziabad), IIMT University, JSS College of Pharmacy, K R Mangalam University, KIET (Muradnagar), MIET (Meerut), RKGIT (Ghaziabad), IMS (Ghaziabad), Sharda

“BEYOND LIMITS: UNLEASHING THE POTENTIAL FOR A SUCCESSFUL LIFE”

Once upon a time in a quaint little village nestled amidst rolling hills, there lived a young girl named Riya. From a tender age, Riya had always possessed an insatiable curiosity and an unyielding determination to push beyond the limits set by society. She dreamt of a life that was not constrained by boundaries, but rather one filled with endless possibilities and remarkable achievements.

Riya's parents, however, were pragmatic individuals who believed in adhering to the conventional norms of society. They encouraged her to pursue a safe and predictable path, urging her to prioritize stability over adventure. Yet, Riya's heart yearned for more. Deep within her, she knew there was a world beyond the confines of her village, waiting to be explored. Driven by an unwavering spirit, Riya set out on a journey to prove to herself and the world that success was not defined by limitations but by the audacity to dream and the courage to chase those dreams. She sought out mentors who believed in her potential, individuals who had achieved greatness by breaking free from societal expectations.

As Riya embarked on her quest, she encountered numerous obstacles that threatened to thwart her progress. Doubt, fear, and setbacks became her constant companions. But she refused to succumb to their grip. With each challenge she faced, Riya learned valuable lessons that strengthened her resolve and propelled her further towards her goals. Riya's relentless pursuit of success took her to far-flung lands, where she discovered diverse cultures, extraordinary landscapes, and remarkable individuals who defied the odds. She realized that success was not confined to a particular field or a singular definition. It encompassed a myriad of accomplishments, both personal and professional.

Through her journey, Riya shattered the limitations imposed upon her by societal norms. She became a trailblazer, challenging the status quo and inspiring countless others to break free from the shackles of conformity. She understood that success was not a destination but a lifelong journey of growth, learning, and self-discovery. Eventually, Riya returned to her village, a transformed woman. The once skeptical community marveled at her accomplishments and the wisdom she had gained along the way. They began to question their own limitations and the boundaries they had imposed upon themselves. Inspired by Riya's triumph, the village witnessed a renaissance, with individuals embracing their passions and pursuing their dreams without fear.

Riya's story became a beacon of hope, spreading far and wide. Her words resonated with people from all walks of life, reminding them that they too possessed the power to transcend limitations and create extraordinary lives. Her tale was not just about personal triumph; it was a testament to the indomitable spirit of the human race. As the pages turn on Riya's remarkable journey, her story serves as a reminder to us all. We too have the capacity to unleash our potential and embark on a path towards a successful life. It is a journey that demands perseverance, resilience, and the willingness to defy the odds. So, let us embrace the call of adventure and dare to go beyond limits. For it is in the pursuit of our dreams that we

Mr. Vivek Kr. Kushwaha
Assistant Professor

FAILURE IS A STEPPING STONE TO SUCCESS

Failure is not the end but rather a valuable learning experience. Every failure brings with it lessons and insights that can propel you closer to success. Embrace failures as opportunities for growth, learn from them, and persevere in your journey. Failure is not the end; it's a stepping stone to success. By embracing failures and learning from them, you gain insights into what works and what doesn't. Failure highlights areas where improvement or adjustment is needed. It allows you to identify your weaknesses, refine your strategies, and develop resilience.

Thomas Edison, the inventor of the light bulb, famously said, "I have not failed. I've just found 10,000 ways that won't work." This mindset exemplifies the attitude of using failure as a learning experience. Each unsuccessful attempt brought Edison closer to discovering the solution that ultimately led to success.

When you encounter failure, it's crucial to reflect on the experience. Ask yourself what went wrong, what could have been done differently, and what lessons can be learned. By analyzing your failures objectively, you can extract valuable insights that can guide your future actions.

Perseverance is key when faced with failures. It's important not to let failures discourage or demotivate you. Instead, use them as fuel to continue pursuing your goals. Embrace a growth mindset that sees failure as an opportunity for improvement and progress. Some of the greatest achievements in history have emerged from multiple failures. It is through perseverance, learning, and adaptation that individuals and organizations reach remarkable heights.

Remember, failure is not a reflection of your worth or potential. It's a natural part of the journey toward success. Embrace failures, learn from them, and persevere in your pursuit of your goals. With each failure, you become wiser, stronger, and more prepared to overcome obstacles on your path to success.

Dr. Ashish Kumar Parashar
Professor

PHARMACY QUOTES

- ❖ The Pharmacist is a link between the physician and the patient.
- ❖ Pharmacists are the unsung heroes of the healthcare industry.
- ❖ Medicines cures diseases, but only doctors can cure patients.
- ❖ The role of the Pharmacists is to ensure that patients receives the right medication at the right dose and at right time.
- ❖ Pharmacists are the medication experts.
- ❖ Medicine is not a science , it is an art , it is not a business , but a profession .
- ❖ The Pharmacists is the healthcare professional that people see most often
- ❖ Pharmacists are the medication safety net for patients.
- ❖ The Pharmacists is the last line of defense against medication errors.
- ❖ The Pharmacist is the guardian of the public health.
- ❖ Pharmacists are the medication experts that patients can trust.
- ❖ Medicine is not only a science, it is also an art. It does not consists of compounding pills and plasters. It deals with the very processes of life, which must be understood before they may be guided.

मेरा पिता

मेरा साहस मेरी हिम्मत
मेरी पहचान है पिता
घर की एक एक इट में
शामिल उनका खून पसीना है
सारे घर की रोनक उनसे
सारे घर की शान पिता
मेरी इज्जत मेरी शोरत
मेरा रूतबा मेरा मान है पिता
मुझको हिम्मत देने वाले
मेरा अभिमान है पिता
रिश्ते सारे उनके दम से
सारे नाते उनसे है
घर की दिल की धड़कन
सारे घर की जान पिता
शायद रब ने देकर भेजा
फल ये अच्छे कर्मों का
उसकी रहमत उसकी बरकत
उसका वरदान है पिता
ओर आज मैं को बोल पा रहा हूँ उ
सका आधार है मेरे पिता।

Love you Papa

मेरी कल्पना

आँखों में नमी है हाथ में कलम मन में सपना है
दिल में उमंग कर रहा हूँ मेहनत ।
न जाने कब पहुँच पाऊँगा ।
अब ठान ही लिया है तो पहुँच कर ही दिखाऊँगा ।
मौज मस्ती के उम्र में सब कुछ छोड़ आया हूँ ।
यारी दोस्ती सैर सपाटे सब कुछ छोड़ आया हूँ ।
छोटी सी उम्र में सब कुछ छोड़ आया हूँ ।
पहले कराता था बिना तकिए के सोने में अचकल आजकल कहीं भी सो जाता हूँ ।
मां-बाप और भाई बहन को याद करके कभी कबार आँसू भी बहा लेता हूँ ।
अब तो सपने में भी नाइपर मोहाली की बिल्डिंग आ जाती है ।
और तुरंत जगा देती है और पढ़ने का हौसला जगा देती है ।
मां को साड़ी और पिताजी को कार बहुत जल्द ही दिलवाऊँगा ।
तू चिंता मत कर मां में जल्दी फार्मासिस्ट बनकर आऊँगा ।

EXAM FEVER

How beautiful is the moon ,
I was waiting for you since the noon.
Whenever as a baby I cry ,
You are the only one for my feelings to hide.

You know me the best amongst all my friends,
I know you receive all the message which I send,
Ohh moon you are with me till the night end .

So there are a lot of scars on you moon,
But stars are with you just like a boon.
I feel I'm the moon unable to find stars,
Who will stay close to my beauty as well as scars.

You know I'm all alone here ,
With so many sorrow which I don't share .
It's ok everything will be alright ,
Eventually time passes I'll be fine .

Today moon refuses to shine,
Told me this time is only mine.
All I have to do now is capture light,
And make this world bright.

CRICKET

Cricket is fun only when
Dhoni is making run
When Rohit gets out on zero
Kholi becomes a hero
When Raina is in fix
And Yuvraj hits six
When Ashwin hits a four
And Jadeja can do more
Cricket is a fun only
When Dhawan takes catch
And "INDIA wins the match"

SWETA PRAJAPATI

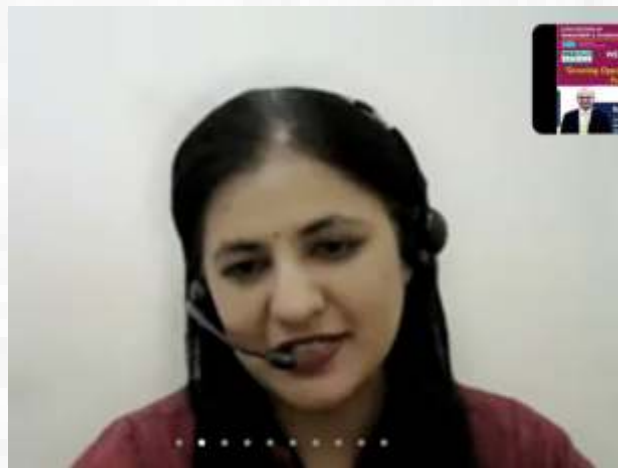

WEBINAR 5.0

On “Growing Opportunities in Pharmacy Profession”

Webinar 5.0 was organized on August 6th, 2022 on the topic “Growing opportunities in Pharmacy Profession”. Dr. Sanjay Rajpal; Country Manager- India & Neighboring Countries, Ypsomed India Pvt. Ltd. encouraged the students toward the Profession of Pharmacy. He explained the various scope of pharmacy after intermediate in the pharmacy sector, which is closely related to the target identification like being a biochemist, pharmacologist, and more. He stressed the commitment and devotion towards the goal & said there are no shot-cuts to it. He shared his experience as a student and sorted various queries which come to a student's mind. He emphasized that the Pharmaceutical Industry has the highest growth rate. He stated the various Government organizations where a pharma professional can get an opportunity to work. He briefed the path of the drug from the stage of product development to the marketing and the various phases a drug undergoes during this entire process. He also shared various government job opportunities that one can get after completing his or her studies in pharmacy.

PRE-INDUCTION ACTIVITY- 2022

Lloyd Institute of Management and Technology organized Foundation Classes for the new entrants of B. Pharm in the online platform from 4th September 2022 till 30th September 2022. These Foundation classes served as a basis students need for the undergraduate level, and gave them a taste of the course. It gave students an opportunity to understand the Pharmacy field before progressing to the four-year degree program. A wide range of topics was covered that included current updates on the Pharmaceutical Industry, Career options in the Pharmacy Profession, Basic Chemistry, Biology, Computers, and their

applications in the field of Pharmacy. The opening session was taken by Dr. Vandana Arora, Group Director, Lloyd Group where she spoke on “The changing Phase of Pharmacy: a must know for Pharmacy aspirants.” Students actively participated in all sessions. In all the sessions were very interactive and these classes helped students to understand the basis of the Pharmacy program.

ORIENTATION PROGRAM- 2022

Lloyd Institute of Management & Technology organized a four-day Orientation Program for the new entrants of the M. Pharm, B. Pharm. & D. Pharm. programs from 3rd October 2022. The objective of the Orientation program was to develop a gradual and confident understanding of the Pharmacy profession, its academic requirements, and related skills. On the very first day, students filled out the registration forms. This was followed by a campus tour, where the students visited classrooms, laboratories, a library, a computer center, a placements office, etc. Day 1 of the orientation Program ended with an interactive session with the respective subject teachers who explained the subjects the students shall be studying in their respective courses.

Day 2 (6th October 2022), included a set of games for team bonding for the students to break out of their shells & make friends. These games were initiated by Ms. Priyanka Ganguly, Behavioral Coach. The students enjoyed the session thoroughly and it helped them to break the ice. The Career Guidance & Training and Placement Cell Head, Mr. Vivek Dhiyani gave a presentation on the placements records and the processes involved. The last session for the day concluded with the internal assessment and marking schemes for M. Pharm, B. Pharm, and D. Pharm programs by the Exam cell Head, Ms. Preeti Maan.

On 7th October, the B. Pharm students were taken to the Yoga session to instill a passion in them for maintaining fitness. This was followed by human value sessions on Human Ethics by Dr. Alok Bhardwaj, Professor, and Aspirations & Family Expectations by Dr. Chitra Gupta, Professor in LIMT. The purpose was to help the student explore and experience the joy of learning, stand up to peer pressure, take decisions with courage, and create awareness about the relationship with colleagues and supporting staff in the Department. Post-lunch subject teachers took introductory classes.

On 18th October, the formal ceremony started with a Lamp-lightening ceremony by the students, their parents, Lloyd's President- Mr. Manohar Thairani, and Group Director- Dr. Vandana Arora. Dr. Vandana Arora, in her address, inducted the students with Lloyd's Vision, Mission, and Core Values. This was followed by a Panel Discussion on "Industry Expectations on Young Pharma Professionals" in which the students actively participated in the Event. There was a lab coat and oath-taking ceremony. The oath served as an ethical compass for students over the course of their careers. Finally, the ceremony ended with a vote of thanks followed by refreshments for all students.

Faculty Group Photograph With M. Pharm Students During Orientation Program-2022

FRESHER'S PARTY

Friday, January 6th 2023: On Friday, January 6, Lloyd hosted a lavish welcoming celebration for new students that were only open to pharmacy students from both of our campuses. It's the day when juniors and seniors come together to finally commemorate their shared membership in the college. The décor and performances was drama-packed exquisite considering the topic of the day was the popular Netflix Show "Wednesday."

The party started off with a bang thanks to the throbbing atmosphere, flashing lights, and foot-tapping music, and the excitement increased to a happy high. Each event was preceded by a diverse entertainment programme that included beatboxing, singing, folk dances, solo dances, and fusion dances. The kids put forth endless effort to create shows that entertained the prestigious audience and compelled them to come up on stage and participate in the fun.

The choosing of Miss Freshher and Mr. Freshher of the individual sections was the most intriguing aspect of the proceedings. A jury made up of senior faculty members and student representatives chose the candidates for these awards based on their talent, wit, and insightful responses to the question rounds, as well as their appearance.

The final titles were given out by Dr. Vandana Arora Sethi, Group Director, Dr. Alka Jyoti, Admissions Director.

Pragya from LIMT won the Miss Freshers title. Tushar Baisoya from LIMT won the title of Mr. Freshers. The other titles, such as Miss Talented, went to Sakshi Anand, while Sahrad Rajput received Mr. Talented. Prarabdhi and Nitesh respectively received the titles of Miss Diva and Mr. Handsome.

The celebration came to an end with some infectious music that promised to get everyone moving on the dance floor: "The magic in the air turned into the chords of pulsating rhythmic hearts and bonds for the year

WORKSHOP / TRAINING PROGRAMME

A Three day workshop on pharmaceutical Quality Control and Assurance in collaboration with Makeinterns and E-cell IIT Kharagpur from 8th February-10th February, 2023.

ALUMNI MEET - 2023

The Alumni Meet - Flagship event of the Alumni Association, was held on the 25th of February 2023. The ceremony took off with the arrival and registration of the Alumni Association of our alumni and a warm welcome.

We awaited the time of the inaugural ceremony scheduled at 2.00 pm. We are glad that the range of alumni from Batch 2008 to 2022 showed their presence. A group photo was taken with all the Alumni, Faculty, and Staff on the lawn.

The lamp-lighting ceremony was headed by Group Director, Dr. Vandana Arora Sethi. The day moved on with get together at the Seminar Hall. We were delighted to have our alumni feel alive and at home by welcoming them to the Alma Mater. Our oldest alumni present, Mr. Sandeep Mishra of Batch 2008 gave a warm address at the event rejuvenating the memories of his Alma Mater and shared his Entrepreneurship journey.

A live band was aligned for the entertainment of Alumni. Many Fun games and activities were also arranged for Alumni and their family members also. During the alumni talk session, they discussed their beautiful college days at Lloyd and interacted with the staff members and with their friends. They also insisted and requested to have this type of Alumni Meet every year without fail. The event moved with the Alumni felicitation in various categories like the Corporate Career Award (Mr. Dharmender), Education and Research, Award (Ms. Renuka Sharma), Entrepreneurship Award (Mrs. Reshma Mishra), Industry partner award (Mr. Sahil Garg), Distinguished Alumni Award (Mr. Sandeep Mishra), Young Alumni Award (Mr. Hitesh Talan & Mr. Supreet Chadha), Eminent Pharmacist Award (Mr. Chaman Bhati) the vote of thanks was proposed by Dr. Chitra Gupta, Dean PG program.

An amazing lunch at the guest lounge was arranged for the Alumni. Our Alumni delighted the meal with their presence. It was an eventful evening that catered to getting together the breadths of LIMT all in one place. The event was stimulating and enjoyable and simultaneously profitable as all members shared their views, ideas and a good number of new ideas, information, and insights came up.

We are grateful for the presence of all our alumni and the love we received from them. We wish them a successful and fruitful life ahead. Warm Wishes, Coordinators – Alumni Association.

The theme of the conference was "Technology Driven Strategies for Business Transformation in Pharma Sector". The program commenced at 10.00 am, following a warm-up Tea, with a grand inaugural chaired by eminent personalities- Prof. Ramesh K.

Goyal (Vice Chancellor, Delhi Pharmaceutical Sciences and Research University-DPSRU, New Delhi), Mr. Ajay Adlakha (Founder & MD, Infinity Advertising Services), Mr. Yashpal Sharma (Managing Director, Skyways Group), Dr. Manish Diwan (Head - Strategic Partnership & Entrepreneurship Development, BIRAC), Mr. Atantra Das Gupta (South West Asia Head - Samsung), Mr. Rakesh Sarin (Founder, Chairman, WellM) and other eminent personalities from academia and industry who graced the occasion off the dias: Mr. Mayank Chatwal, Mr. Alaknanda Mishra, Mr. Kritesh Singh Bhatia, Ms. Priya Mishra, Dr. Rajeev Tyagi, Mr. Ravi Rathura, Mr. Rohan Sudan, Mr. Sanjay Rajpal, Sanjay Trehan, Ms. Shreya Deepam, Mr. Shonik Goyal, Mr. Shubham Saxena, Mr. Sugadh Chatterjee, Mr. Suhail Rohit Singh, Mr. Surendra Kumar Kamal. The program began with auspicious lamp lightening by the dignitaries and Saraswati Vandana to evoke the blessings of the Goddess of learning.

Prof. Vandana Arora Sethi, Chief Strategy Officer, Lloyd extended a warm welcome to the dignitaries and the delegates, on behalf of Lloyd Institute, in her welcome address. She emphasized that in the current era of mass layoffs, professionals need to adopt new technologies if one has to ensure the longevity of jobs. She quoted that the only thing that is constant is "Change". For the students, she stressed upon making the right choices and not always the easy way out whenever a decision is to be made.

The key highlight of the Conference was two important Panel Discussions in alignment with the theme of the conference. The first Panel Discussion was on the topic "New Age Technology-enabled Business or Opportunities for Entrepreneurs". The panel was deliberated upon by experts viz. Mr. Ayush Jain (Founder, Xane AI), Ms. Alakananda Misra (AVP-HR, Genpact), Mr. Sanjay Rajpal (Country Head, Ypsomed India Private Ltd.), Mr. Shonik Goyal (President & Head SCM, Sheela Foam Limited), Mr. Sachin K. Sheoran (Founder and MD, HBF Direct Ltd.), Mr. Shubham Saxena (International Marketing Manager, Aimil Global Ltd.) and was moderated by Mr. Mayank Chhatwal (Secretary, PHDCCI). The second Panel discussion entitled "Emerging Skill Sets in the World of Disruptive Technologies" was moderated by Mr. Ravi Rathod (Joint secretary, PHDCCI) and deliberated upon by the panelists Mr. Pritesh Bhatia (Associate Director, HR, Jubilant Biosys), Ms. Priya Mishra (Dy General Manager HR, Apollo Pharmacies Pvt. Ltd.), Dr. Rajiv Tyagi (Senior People Manager, Mace), Mr. Shrey Deepum (Marketing Strategist, Google), Mr. Sanjay Kumar (Executive Director, Multani Pharmaceuticals), Mr. Suhel Rohit Singh (Communications Manager Corporate, BAYER), Mr. Surender Kumar Kamal (Lead Global Regulatory and Scientific Affairs, Hindustan Unilever Limited) and was moderated by Dr. Ravi Rathod (Joint secretary, PHDCCI).

Panel Discussion On 'Emerging Skill Sets In The World Of Disruptive Technologies' With Eminent Guests

EXPERT LECTURE

Economic Green Methods in the Field of Pharmaceutical Formulations, Analysis, Extraction, Synthesis, etc by Novel Application of Mixed Solvency Concept

Lloyd Institute of Management and Technology (Pharm.) organized an online expert lecture on “Economic Green Methods in the Field of Pharmaceutical Formulations, Analysis, Extraction, Synthesis, etc by Novel Application of Mixed Solvency Concept” by the expert Dr. R. K. Maheshwari, Senior Professor at Department of Pharmacy, SGSITS, Indore on 6th May 2023.

The lecture was initiated with the floral welcome of Dr. R. K. Maheshwari by Dr. Lalit Tyagi Professor, Lloyd Institute of Management and Technology (Pharm.). Dr. Lalit Tyagi delivered a dynamic welcome speech and introduced Dr. R. K. Maheshwari to all the participants. The moderator of the program was Ms. Anjali Rajora and the coordinator of the program was Dr. Ashish K. Parashar.

The session has provided valuable insights and actionable strategies to work on in this field. The lecture was attended by a total of 98 delegates including faculty members, PG scholars, and UG students. The lecture was very informative and organized in online mode. Students asked questions to the speaker and the speaker resolved all their queries well. After the lecture, Dr. R. K. Maheshwari was honored by Dr. Ashish K. Parashar by presenting a memento and certificate. All the participants received a certificate of participation.

HEALTH-A-THON

“Future Prospective for Healthier World”

Theme: Drug Administration, Early Diagnosis, Disease Treatment, and Cure.

Lloyd Institute of Management & Technology (Pharm.), Greater Noida successfully organized a two-day mega Health Hackathon Event “Health-A-Thon [Future Prospective of Healthier World]” on 19th May-20th May 2023. The Theme of the Health-A-Thon event was Drug Administration, Early Diagnosis, and Disease Cure & Treatment. 20+ Innovators Teams from various colleges took part in this event and stayed overnight at the campus.

The program commenced at 10.00 am for Day-1 (19th May 2023), following a warm-up Tea, with a grand inaugural chaired by Prof. (Dr.) Vandana Arora Sethi, Group Director, and Chief Strategy Officer & Head of Growth at Lloyd Group of Institutions, and eminent guests Mr. Kapil Agarwal, Manager Incubation Programs, Aspirelabs Accelerator and Dr. Rajiv Chhibber, Vice President, External Affairs (Policy, Govt. Relations and Outreach), Sahajanand Medical Technologies. The program began with auspicious lamp lightening by the dignitaries and Saraswati Vandana to evoke the blessings of the Goddess of learning.

Lamp Lightening Ceremony Of HEALTH- A- THON

Prof. (Dr.) Vandana Arora Sethi, extended a warm welcome to the dignitaries and the delegates, on behalf of Lloyd Institute. In her welcome address she emphasized that in the last few years, the role of technology in healthcare has increased significantly. Today, we have access to easy-to-use and accessible medical devices, powered by technologies such as artificial intelligence, augmented reality, blockchain,

etc. These technologies enable patients and their caregivers to make decisions about the management and treatment of diseases. The Health-Tech Hackathon will foster a mindset among our youth toward these technological developments.

Mr. Kapil Agarwal, Manager, Incubation Programs, Aspirelabs Accelerator in his address said Think bigger and create your ideas to achieve your thoughts. Dr. Rajiv Chhibber, Vice President, External Affairs (Policy, Govt. Relations and Outreach), Sahajanand Medical Technologies in his address said that Hackathons are always an exciting space for collaboration, creativity, and innovation. Health Hackathons are a great platform for medical

field people with innovative ideas.

The innovators' teams from different colleges pitched their ideas of Innovations and the inputs given by the reviewers were taken as a great challenge by the participant teams who worked overnight to impose their ideas.

Second Prize Winners

The second-day event (20th MAY 2023) started at 10:00 AM with an introduction and welcome of judges. Dr. Neetu Kamra, Professor at Lloyd Business School (Analytics and HR), Prof. Dr. Manish Saraswat, Professor and Head Industry in campus (IIC), Lloyd Institute of Engineering and Technology, and Mr. Abhinav K Mishra, Adjunct Professor, Lloyd Law College were our Judges.

The second day of pitching was based on a detailed idea prototype presentation. Each team was evaluated on the basis of their idea feasibility, Novelty, Innovative, Patentability, and business value.

Valedictory Session started at 1:00 PM with a grand welcome of eminent guest Mr. Apurv Abhay Modi, Managing Director and Co-Founder, Atechnos Group.

Prof. (Dr.) Vandana Arora Sethi, Group Director, and Chief Strategy Officer & Head of Growth at Lloyd Group of Institutions extended a warm welcome to the Eminent Guest and the participants, on behalf of Lloyd Institute, in her welcome address.

A vote of Thanks was given to all dignitaries, participants, and organizing committee members by Dr. Shilpa Pahwa, Academic Coordinator of LIMT (Pharm.).

Overall, the event was a grand success and was able to meet its objectives of igniting Youngers's brains.

First Prize Winners

FAREWELL PARTY

Tuesday, May 23rd 2023: Lloyd, Department of Pharmacy organized a splendid Farewell Party 2023 for the final year students of LIMT and LSP. The motif of the event was Bollywood theme hence the décor & the performances were nothing less than drama packed picturesque.

There was a spate of dance, music and laughter as the hosts impressed with the showcasing of their vast repository of skills. Each event was marked by a variety entertainment program that comprised a breath-taking classical dance, beat boxing, duet dance, ramp-walk, singing & musical chair.

The most alluring part of the events was the selection of Mr. & Ms. Farewell, Mr. & Ms. Talented and Mr. & Ms. Evening. The entitled students were selected by a jury including Dr. Siva Reddy & Ms. Afeefa from LIMT and Dr. Nidhi and Ms. Anjali from LSP. The students were judged on the basis of their appearance, talent and answers in the question rounds. Dr. Vandana Arora Sethi, Group Director, gave students helpful advice on how to juggle the expectation of their family and society with their own aspirations and concluded by wishing them happiness and success in all future endeavours and inspired them to leave an indelible mark on society and make the college proud.

Dr. Vandana Arora Sethi, Group Director, Dr. Alka Jyoti, Admissions Director, Dr. Shilpa Pahwa, HOD (LIMT) and Dr. Daksh Bhatia, Principal (Lloyd School of Pharmacy) bestowed the final titles.

Mr. Kuber & Ms. Deepika were selected as Mr. and Ms. Farewell, Mr. Mohit Bhati and Ms. Shivani were entitled as Mr. and Ms. Evening, Mr. Naman and Ms. Jessica were entitled as Mr and Ms. Talented respectively for LIMT campus.

Mr. Pranshu & Ms. Mahewish were selected as Mr. and Ms. Farewell, Md Asif and Ms. Mansi Pandey were entitled as Mr. and Ms. Evening, Mr. Waseem Ahmad and Ms. Ekta Tiwari were entitled as Mr and Ms. Talented respectively.

The party ended with a good time-span for breaking-a-leg at the dance floor. The students, teachers and the college management bid their beloved students a warm goodbye and wished them good luck for their future and expressed their joy at having spent a wonderful time with all.
