## About Institute

**Lloyd Institute of Management & Technology (Pharm)** was established in 2004. The Institute offers programs in Pharmacy, viz., D. Pharm., B. Pharm., M. Pharm. (Pharmaceutics) & M. Pharm. (Pharmaceutical Quality Assurance) and over the years has gained prestige for its quality and the holistic learning experience offered to students on the campus. The Institute is approved by AICTE, PCI and affiliated to Dr. APJ Abdul Kalam Technical University (AKTU) and Board of Technical Education (BTE), Lucknow, Uttar Pradesh.

**The B Pharm program of Lloyd is accredited by the National Board of Accreditation (NBA).**

The Institute has introduced many effective features in its pedagogy and taken initiatives in the direction of Community Pharmacy Division, Personality Development Program, Industry Expert Lectures, Entrepreneurial Excellence Development, On-the-Job training in industry etc. “Beyond-curriculum” activities like lectures from industry experts, industrial visits and hand on training are an integral part of education at Lloyd.

**Placements** are a key benchmark of any Institute and Lloyd has a dedicated team that ensures placement of not just its own students but students from different regions of India by organizing **Job Fest every year**.

## About FDP

Today the profession of teaching has become quite challenging and learner centric. Teachers are expected to adopt effective teaching methodology and tools to ensure attainment of educational outcomes. Moreover the recent switch in education from **class rooms to online mode** demands specialized training of teachers.

**FDP** are a stand-alone educational pedagogy in fostering knowledge and professional skills of the faculty. The quality of any education system is based on the quality of teachers. Pedagogy is an art of teaching and effective pedagogies involve a wide range of techniques which focus on higher order of thinking and satisfies diverse needs of range of learners. There is no single universal approach suitable for all situations, and effective teachers use various strategies to support academic engagement. Effective pedagogy techniques enable teachers to observe and assess students in context of class room situations which increases the prospects of effective learning.

This **FDP** will invite leading academic experts, thinkers and learners at a common forum to deliberate and put forth workable solutions.

## Objectives of the FDP

Faculty Development Program (FDP) entitled “**Exploration of Nascent Pedagogical Tools for Updating Teachers of Pharmacy Education**” is aimed at honing the teaching skills of prospective, new and seasoned pharmacy teachers and to fulfill the following objectives:

1. To enable teachers to master a repertoire of instructional methods and strategies to ensure good and effective teaching in pharmacy.
2. To expose various pedagogies and then by incorporating essential pedagogical knowledge, skills, dispositions and commitments that enable teachers to practice at high level.
3. To enable the participants to understand and practice “Outcomes Based Teaching” and “Learner Centric Teaching Strategies”.
4. To enable the participants to develop appropriate tools of assessment.
5. To enable them recognize and imbibe the proficiencies and qualities of good teacher.

## Expected Outcomes of the FDP

The **FDP** will provide an opportunity to the faculty participants to gain knowledge of:

- a) Concept of outcome-based education and need for effective pedagogical tools.
- b) Recognize modern and effective pedagogical tools for restructuring technical education.
- c) Measures and means for accomplishing the goals of effective students learning.
- d) Chart out a roadmap for acquiring and incorporating the modern pedagogical tools in current teaching practices.
