मुझे यह जानकर अति प्रसन्नता हो रही है कि ल्लॉयड इंस्टीट्यूट ऑफ मैनेजमेंट एण्ड टेक्नोलॉजी में 09 दिसम्बर, 2023 को “प्रौद्योगिकी और अनुप्रदेशी शिक्षा के माध्यम से परिवर्तन” विषयक अंतरराष्ट्रीय सम्मेलन का आयोजन होने जा रहा है।

आज जब हम डिजिटल युग का स्वागत कर रहे हैं और ज्ञान-आधारित अर्थव्यवस्था की दिशा में स्थानांतरित हो रहे हैं, तो प्रौद्योगिकी और अनुप्रदेशी शिक्षा का योगदान हमारे भविष्य को आकार देने में अत्यधिक महत्वपूर्ण है। मैं सभी प्रतिभागियों को मजबूत चर्चाओं में शामिल होने, अपने दृष्टिकोण साझा करने और सहयोगी विशेषज्ञों के साथ नव समाधानों की खोज करने के लिए प्रोत्साहित करता हूँ।

सम्मेलन की सफलता की हार्दिक शुभकामनाएं।

Message

I am delighted to note that Lloyd Institute of Management & Technology (Pharm.) are organizing **3rd International Conference** entitled “**Transformation Through Technology and Transdisciplinary Education**” to drive innovation, foster collaboration and explore the limitless possibilities that lie at the intersection of technology and transdisciplinary education on **9th December 2023**. As the part of the conference, a round table discussion by **Vice Chancellor’s** from renowned university of the nation is key highlights of the conference. Delhi Pharmaceutical Sciences and Research University (DPSRU), the first Pharmacy University in India, is proud to be associated with Lloyd Institute of Management & Technology (Pharm.).

Lloyd Institute of Management & Technology (Pharm.) established in 2004, has gained prestige for its quality and the holistic learning experience gained by students on the campus. The Institute has introduced many effective features in its pedagogy and initiatives such as Community Pharmacy Division, Personality Development Program, Corporate Readiness Classes (CRC), Entrepreneurial Excellence Development, On-the-Job training in industry, Skills Training etc. It emphasize on delivering not just the curriculum content but also enriching the learning experience of students by incorporating several “beyond-curriculum” activities like expert talks from industry, industrial visit to pharmaceutical manufacturing plants and analytical laboratories to provide a real-time, hands-on experience on the functioning of the pharmaceuticals industry. All these are true features of National Education Policy 2020.

I am sure it will promote transdisciplinary education to explore, synthesize and apply insights from various fields. At the end it will provide the roadmap towards holistic education.

I extend my best wishes to conference a grand success.

SYNOPSIS OF THE INTERNATIONAL CONFERENCE

The third annual international conference of Lloyd Group of Institutions was successfully carried out on the premises of Lloyd campus. On the eventful day of 9 December 2023, political leaders, academic, and industrial dignitaries from around the world came together to share their valuable insights on Transformation through Technology and Transdisciplinary Education.

The main objective of the conference was to use the Artificial Intelligence in the areas of research, innovation, health, and education in line with Self-Reliant India, Digital India, and Make in India missions set by our honourable Prime Minister Shri. Narendra Modi.

The conference was organized in collaboration with Delhi Institute of Pharmaceutical Sciences and Research University (DPSRU), PHD Chamber of Commerce, and Indian Pharmaceutical Association (Delhi).

The program was inaugurated by lighting the lamp in the presence of Mr. Kapil Dev Aggarwal, Ministry of State, Vocational Education and Skill Development Uttar Pradesh, Mr. Awanish K. Awasthi, Chief Advisor to Honourable Chief Minister, Uttar Pradesh, Dr. Deependra Singh, Chairman Education Regulation Committee, PCI, Mr. Manohar Thairani, President, Lloyd Group and Dr. Vandana Arora Sethi, Group Director, Lloyd Group. More than 500 abstracts and 1500 plus students and teachers from India and abroad participated in the international conference.

In the opening address, Mr. Awanish Awasthi highlighted the importance of technology and transdisciplinary education in transforming the way we learn and teach. He said that technology can help to make education more accessible, effective, and engaging. He also emphasized the importance of transdisciplinary education in preparing students for the challenges of the 21st century.

The book titled as Souvenir cum Abstract was also released.

During the conference, Mr. Aseem Sahu, Deputy Drug Controller India and Dr. Vibhu Sahni, Dean PCI were honoured with the Exemplary Pharmacy Professional Award. Dr. G.N. Singh was honoured with the Life Time Achievement Award. The conference featured a variety of speakers and sessions, including

- Keynote addresses by leading experts in the fields of education, technology, and transdisciplinary research
- Panel discussions on topics such as the future of education in the digital age, the use of technology in education, and the benefits of transdisciplinary education and urged policymakers to consider the following recommendations:
 - Invest in research and development in the area of technology-enhanced education.
 - Support the development of transdisciplinary educational programs.
 - Create policies that encourage collaboration and innovation in education.
- Paper presentations on a wide range of topics related to education and technology
- The conference was concluded with the address of Dr. Vandana Arora Sethi. She thanked all dignitaries and participants who joined the conference and said that "forums like this are very important to bring about change in the education."
- The conference is considered as an important milestone in the field of education. Suggestions emerged from this conference were submitted to the Central Government for inclusion in the education policy.
- The conference also came to end with a cultural evening featuring performances by musical bands.

Mr. Kalhan Bazaz

President, Indian Pharmaceutical Association-Delhi State Branch (IPA-DSB)

“ Theme of the conference was great and addressed the much needed aspects of education. It was really nice to be in the company of business pioneers, scholars and leaders. The ambience of the campus was energetic and I feel assured over the availability of dynamic leadership for the future. ”
