LLOYD UNIVERSE

President's Message

Lloyd Institute of management and technology (Pharm.) has successfully completed 17 years of academic excellence. I would like to extend my sincere gratitude to all our corporate partners for providing their valuable support. We look forward to strengthening this association and engage with our corporate partner at multiple levels. The alumni of Lloyd Institute of management and technology have proven their mettle and on respectable position in various Pharma industries. It is our constant endeavor to ensure that our alumni receive every kind of support both in terms of academics as well as the research to encourage them in their overall career development.

This two-way dialogue also ensures that they play a crucial role in guiding the current batches. We at LIMT (Pharm.), Greater Noida are dedicated towards the holistic development of budding Pharmacist. The academic curriculum is revised from time to time based on the latest trends to ensure that our students are industry ready.

Our focus has constantly been to ensure that the students get a mix of both strong fundamentals and corporate exposure through dedicated session with eminent personalities from across diverse sectors.

Manohar Thairani

President, Lloyd

Mr. Manohar Thairani & Dr. Vandana Arora Sethi

felicitating **Dr. G.N. Singh** (Former DCG, Secretary-cum-Scientific

Director of IPC) & **Prof. Ramesh K. Goyal** (VC of DPSRU, Delhi)

at Job Fest 2019

Group Director Message

We, at Lloyd are driven by the belief that every child deserves a high-quality education. Given that in today's generation where there is an intersection of great challenge & great opportunity, especially in the dynamic world of corporate, we need to think “out-of-the-box” and provide only the best to our students.

Since its inception more than a decade ago, Lloyd has remained a place of innovation and excellence in pharmacy education. As the needs of society and profession have changed, the institute has also evolved and continues to bring about positive changes to prepare future pharmacist for an expanded role in the pharmaceutical Industry. Lloyd is consistently amongst the top-ranked institute of pharmacy. Lloyd continues to be an innovative force in Pharmacy education to meet the needs of an ever - changing world.

Dr. Vandana Arora Sethi

Group Director, Lloyd

Mr. Manohar Thairani & Dr. Vandana Arora Sethi

Message from Career Guidance, Training & Placement (CGTP) Cell

Ms. Sarika Mahtta

Associate Professor

M: +91-9717790610

E-mail: saika.mahtta@lloydcollege.in

We at Lloyd believe to produce high quality professionals with quality education, technical training, sensitive to the ever changing needs of the profession, society, industry and country. Lloyd is a landmark in the field of Pharmacy Education. It has always stood as symbol of Innovation and Excellence.

Since its inception more than a decade ago today, we offer Bachelor of Pharmacy (B.Pharm.) and Master of Pharmacy (M.Pharm.) in Pharmaceutics and Quality Assurance. We are fortunate to add M.Pharm (Pharmacology) to the number of courses being offered. The course is approved by PCI. The entire world had witnessed the role and importance of a pharma worker in COVID management. This has really turned outlook of the society members towards this profession.

Mr. Shekhar Sharma

Associate Professor

M: +91-9821394574

E-mail: shekhar.sharma@lloydpharmacy.edu.in

We are really fortunate to provide the professionals in the field of Pharmaceutical Industry which is purported to eradicate the diseases and misery of life and serve the humanity.

This constant blend of academic excellence and industry interface helps the student on their skills which have been proven to be an asset to the organisation they become a part of and I recommend them enthusiastically for your consideration I invite you and your esteemed organisation to participate in the placement process of Lloyd. The brochure provide detailed description with all pertinent information for your participation. We look forward towards building a sustainable relationship with your esteemed organisation and achieving your recruitment objectives.

Welcome to Lloyd!

Responsibilities of CGTP Cell

Career Guidance Training & Placement (CGTP) cell undertakes various activities of training and grooming of students in terms of conducting mock interviews, GD sessions, resume writing workshops, HR meeting etc. Along with providing placement assistance to students of M. Pharm, B. Pharm, and D. Pharm, placement cell helps in managing industry interactions and industry relations. It has forged good relationship with many reputed companies in field of pharmaceutical and life sciences.

Role of CGTP Cell

- The Cell looks after the technical training of students
- Provides placement support to the students in the prestigious organizations
- Facilitate training of our students in the industries during summer and winter vacations
- Build the Institute – Industry connect
- Provides counseling to the students for choosing right career option
- Facilitate industry visits
- Arrange expert lectures on the campus
- Organize alumni activities regularly
- Participation in exhibitions, fairs, seminars and conferences
- Organize annual job fest every year

VISION

To become a globally recognized, education and research organization in the field of pharmaceutical sciences and produce quality professionals to contribute to the well being of society and growth of Pharmaceutical Industry.

MISSION

- To produce high quality professionals with quality education, technical training, sensitive to the ever changing needs of the profession, society, industry and country.
- To create an environment of continuous upgradation and higher studies to meet professional, economic and social standards.
- To promote innovation, research, entrepreneurship to meet challenges and foster an environment of collaborations.
- To inculcate high morals, professional and ethical values amongst our students, transforming them to quality service providers.

GREATER NOIDA- NEW AGE EDUCATION HUB

The twin cities Noida and Greater Noida have over 70 Pharmacy, engineering & management colleges attracting students from all over India and other countries. Students from around 30 countries choose greater Noida as educational destination. The city already has earned a tag of being an educational city. In this city a huge space is allotted by the U.P Government (popularly called as KNOWLEDGE PARK) to accommodate some of the prestigious and premium Institutions of India. In the knowledge park area one can easily find the high quality Pharmacy, Management, Law, Medical, Nursing, Marine Institutions. Your visit to Greater Noida will satisfy you for being at right place to educate yourself.

A DEGREE OF DIFFERENCE AT LIMT (PHARM.)

B. PHARMACY

B. PHARMACY Lateral Entry

Pharmacy is a versatile, dynamic, growing, and increasingly diverse profession, one which creates an excitement because there are so many opportunities. It is an age old profession which has transformed into a hub for “Global Healthcare” and evolved as a multidisciplinary and multifaceted field in recent times. With the phenomenal rate of advances in the pharmaceutical industry, the health sector has thrown open a sea of opportunities for pharmacy professionals.

Pharmacists work in a wide variety of health care settings:

In the pharmaceutical industry (carrying out a wide range of activities – like, R & D ,Manufacturing, Quality Control, Packaging, Quality Assurance, etc.)

In practice settings- (hospital & community i.e. retail pharmacy), in academics, regulatory affairs & clinical research (CROs).

Placement Report

Lloyd is delighted to share yet another successful progression of placement session 2020 -21. The Batch of 2017 -21 has witnessed some magnificent achievements. The Batch has been offered, more than **55 Companies**. The Companies have represented **5 Sectors**. It included companies like Macleods Pharma, Medisage, Biodeal Pharma, Generix Life Sciences, etc. This year, Lloyd has added more than 10 new employment partners which have unlocked new opportunities for our future pharmacy leaders.

As it is said that leaders transform complexities into opportunities, so has been done by Lloyd. Lloyd Institute of Management & Technology (Pharm.) has emerged as a true leader. The pandemic has taken a toll on many traditional roles in Industry. There have been several Job Roles that have sieged their existence. Contemporary & more technology-driven roles have taken their place. Lloyd proactively worked on filling the gap & minimize the deviation between the traditional & contemporary roles. This gave Lloyd & its students an edge. Industry have admired Lloyd's approach & reciprocated by offering the best of the opportunities to Lloyd students. Companies like **Medisage, Biodeal, Wipro** & many more have offered **Pharmacovigilance** roles also.

Like yesteryears, Lloydians have also, not left any stone unturned & have shown remarkable resilience. Students, from 2017-21 Batch, strived hard & evolved themselves as per post covid industry standards. Like their predecessors, they grabbed the best of the opportunities & once again proved their metal. **3.5 LPA** is the **Highest CTC** offered for the Batch of 2017-21. While the **Average CTC** for the Batch has been **2.5 LPA**.

Training & Internship

As an Integral part of the curriculum at Lloyd Institute of Management & Technology (Pharm.), pharmacy department has made several efforts in order to improve the skills. A part of the effort is to acquaint the students with the practices of industry, observing the industrial operations in terms of unit operations and processing, and organizing the unit operations in the production of tablets, capsules, injectables, quality control, etc. The students are encouraged to take up training & internship programs during their semester break. Faculty members give their guidelines, suggestions, scope and contact details for an internship. They also help the students by interacting with the industry experts; provide the student recommendation letters and other necessary supports. The alumni coordinator constantly interacts with alumni, those who are working in the industries and request them to provide the necessary guidelines and supports for their junior's internship.

A snapshot of some industries where the industrial summer trainings are done by the students for the last three years
